Bend's ball team of "big guns" went into action on the Oxford Park diamond Sunday, and except for failure to bring along any sort of relief pitcher, would have given the Salem Senators plenty of trouble. As it was, they went home again with the short end of a 13 to 4 score.

Murphy, on the mound for the visitors, was highly effective at times, striking out every man that faced him in the third inning; but at other times he was as wild as a High Desert moonshiner from the land bordering on Bend's environs.

Even at that, it so happened that the six runs that put Salem far in the lead in the second inning, were not earned off Murphy. They came after two were out and Trummer had bobbled the ball that he should have fielded for the third one.

Bend started strong, the first two men facing Beck poling two baggers over the right field fence. They were Trummer and Rentfrow. The latter scored on Bigbee's single. Then Beck settled down and allowed but two more runs, one in the third inning and one in the seventh.

The Senators failed to score despite a walk and two singles in the first inning, but the second was a crime. Shackman flied out to Wood, and Edwards struck out. Then Beck walked and Keber was safe on Trummer's error. Vaughn walked; Ridings walked, Beck scoring. Sullivan singled to center field and Keber and Vaughn nicked the plate, Sullivan going to second on the throw in. Heenan singled to left, scoring Ridings and Sullivan, and Gill hit a two bagger to center, scoring Heenan. Six runs, three hits, one error.

Then after resting an inning, the Senators began gathering statistics again. Vaughn and Ridings poled out two baggers in succession; Sullivan hit a sacrifice fly to center field, putting Ridings on third. Heenan fanned, and then Gill beat out a hit to Trummer, Ridings scoring. Schackman poled one over the center field fence for a homer. Edwards grounded out. Four hits, four runs.

Then there were a couple of runs in the sixth, Sullivan getting a two bagger and Gill and Shackman singles; and in the eighth Ridings scored after drawing a walk, taking second on a wild pitch, going third on Sullivan's infield out and scoring when Heenan beat out a bunt to the pitcher.

Bend's score in the third inning came on two walks and two fielder's choices, and the one in the seventh on Murphy's two bagger and Rentfrow's scratch single.

Man-Killing Schedule Faces Tommy Loughran

Not since John L. Sullivan, mighty man of Boston, barnstormed through the country years ago and bounced heavyweights nightly on canvases spread in theaters, halls and even side-shows, has a fistic champion undertaken the schedule that lies ahead of Tommy Loughran, industrious king of the light heavyweights.

Tommy will pack his crown into Ebbets field Wednesday night and expose it for fifteen rounds to the best shots of Pete Latzo, overgrown Scranton miner who once held the welterweight championship. If successful against pudgy Pete, Loughran is due to battle again for Humbert J. Fugazy, on June 13, defending his title against rugged Leo Lomski over the fifteen round route. The following night, Tex Rickard has Loughran down for a similar engagement against Jimmy Slattery of Buffalo.

Unless the New York state athletic commission untracks itself from a mess of rules and by-laws governing the situation, Tommy must fight two fifteen-round title fights on successive nights. After accepting Fugazy's dates and contracts for Loughran's first two bouts, the solemn solons recognized an option Rickard held on the champion's services and allowed him to name June 14 for the Slattery match.

Both Loughran and Latzo finished training today. Neither expects any difficulty in making the weight, 175 pounds at 2 p. m. Wednesday in the offices of the boxing commission.

FRAULEIN STAGES SENSATIONAL WIN

AUTEUIL, France, May 28.—(AP)—With a dramatic victory over Mrs. M. Holcroft Watson of England, 19 year old Cecile Aussem, women's tennis champion of Germany, today earned the right to meet Helen Wills in the next round of the women's singles in the international hard court championship tournament.

The little German girl qualified to play the American champion after one of the most spectacular rallies in the history of women's tennis. After losing the first set and being within a single point of losing the match in straight sets, she developed a courageous winning spurt which swept the last 12 games in succession and won the match, 2-6, 7-5, 6-0.

"It was a very plucky recovery," commented Miss Wills who was idle today and watched the entire match.

GERMANY, EGYPT WIN AT SOCCER

AMSTERDAM, May 28—(AP)—The German soccer team today showed strength which may carry it close to the final in the Olympic soccer competition by shutting out Switzerland in a first round match four goals to none. In a second match Egypt defeated Turkey 7 to 1.

MONTAVILLA LEADS PORTLAND CIRCUIT

Interest in the Decoration day ball game here Wednesday, in which the Salem Senators will meet the fast Montavilla team from Portland, was heightened yesterday when word was received here that Montavilla had advanced into a tie for first place in the Portland City leagues with Nicolai, by virtue of a 10 to 9 victory over Franklin Garage Sunday while the Doormakers were losing to the East Side Commercial club 9 to 3.

The lineup Sunday included Bemis, center field; Garbarino, shortstop; Levoff, right field; O'Brien, left field; Zimmerman, third base; Misner, first base; Ragoway, second base; McBride, catcher and J. Harkins, catcher.

The game here will be played at 3 o'lcock Wednesday.

JAPAN AND AMERICA MEET IN NET FINALS

MONTREAL, Que., May 28.—(AP)—Japan advanced to the finals of American zone Davis cup competition today by eliminating Canada in the second round 3 matches to 1.

Needing only one victory to clinch their right to face the United States in the finals at Chicago June 1, 2 and 3, the Japanese gained it in the first of two scheduled singles matches, Captain Teizo Toba besting Jack Wright of Canada in a bitterly-fought five set engagement, 7-9, 3-6, 6-3, 6-0, 614. The second match, having no effect on the ultimate result, was called at the end of the fourth set with Willard Crocker and Yoshiro Ohta all even, two and two.

Japan had split even in the first two singles encounters on Friday and followed this up with a victory in the doubles Saturday.

Licked the 3 Enemies of Long Tire Wear

Miller has produced the tire of Super-Wear. Tire building genius had long sought to accomplish this. But not until Miller engineers discovered the 3 outstanding causes of short tire life was such a tire made possible.

Miller devoted months of research discovering these enemies—then licked them with 3 Scientific Improvements—unique in all tire history.

One-Piece Tread and Sidewalls

1 Gone for all time is fear of cracking joints and the destruction that followed with old ways. Now the husky Miller tread reaches all the way around the tire with One-Piece Tread from toe to toe. All joints and hinging centers are eliminated—no chance whatever for cracking.

Geared-to-the-Road, Road-Shaped Tread

2 The broad, road-shaped contact surface of the Miller exclusive Geared-to-the-Road Tread runs even with the road. With light or heavy load the entire width of this famous tread is *on* the road—taking wear evenly, therefore *slowly*. Uneven, spotty tread wear is banished.

"Uniflex" Cord Construction

3 Insures uniform flexibility of all parts—completing a perfectly balanced tire. Built to resist curb and rut jolts—recovers from blows to normal shape with the quick lively action of real rubber—leaving One-Piece Tread and Sidewalls, Bead and Uniflex Cord carcass secure and intact. Thus—miles are added to the life of all Miller Tires.
