I HAVE enjoyed a splendid business the last year and a half at 281 State street. I have met a great many splendid friends, and am taking this opportunity to inform those friends as well as the many others I hope to meet. I am now located in the Oregon Building. I believe my business relations with Hawkins and Roberts will enable me to be of more service to my clients. It places me in a position where I can perhaps assist you in refinancing your property as well as having a complete list of the properties controlled by this financial institution to offer for sale or trade at prices below their actual value. Remember, should you want information, if we can furnish that, it's free. If you wish to sell or buy, that's our line. Should you wish to trade, that's our specialty.
We will be glad to write your insurance or rent your house or farm. Call on us. We can do you no harm, we might have just the thing you want.
