CHICAGO GRAIN

CHICAGO, ec. 9—(AP)—Wheat underwent a sharp fall in price today, largely on account of the United States wheat visible supply failing to exhibit speedy curtailment. Emergency measures taken today to avert difficulties in settling big contracts calling for December delivery of rye here tended also to pull values down both in wheat and also in Rye. Wheat dropped to about 10c per bushel under prices which were current less than a week ago.

Closing quotations on wheat were nervous at nearly the day's bottom level, 2½c to 3 3-8c lower than Saturday's finish. Corn closed ½@5-8 to 7-8c down, and oats 3-8 to 7-8c off.
