Wasco society was stirred Sunday evening by a swell wedding. Wing Lee, the laundryman, was married to a young Chinese girl, whom, we are credibly informed, became his upon payment of the modest sum of $700 to her father. Notwithstanding their manner of tying the knot, which seems so queer to us, the couple certainly looked and acted very happy. The NEWS extends congratulations and best wishes for the future prosperity of Wing Lee and his bride, and to all the little Wings.

Bad management keeps more people in poor circumstances than any other cause. To be successful one must look ahead and plan ahead so that when a favorable opportunity presents itself he is ready to take advantage of it. A little forethought will also save much expense and valuable time. A prudent and careful man will keep a bottle of Chamberlain,s Colic, Cholera and Diarrhoea Remedy in the house, the shiftless fellow will wait until necessity compels it and then ruin his best horse going for a doctor and have a big doctor bill to pay, besides; one pays out 25 cents, the other is out a hundred dollars and then wonders why his neighbor is getting richer while he is getting poorer. For sale by Marsh & Medler.

National Educational Association.

LAGRANDE, May 25, 1899.

To the teachers of Eastern Oregon:

As corresponding secretary of the eastern division of the state teachers' association, I desire to call your attention to the meeting of the N. E. A. at Los Angeles, July 11-14. This is an occasion that no teacher can afford to miss without making a special effort to attend. While the matter of expense will necessarily figure in the estimate of what one can afford, yet the importance of this meeting is so great that every teacher in Eastern Oregon should make a special effort to attend. This will be an opportunity of a lifetime and will be the last time some of us will have of attending this, the greatest educational gathering of the world. The trip from Oregon into California will be like passing into a new world. The instructions, and the inspiration received by coming in contact with the greatest educators of the United States and the acquaintances, associations and friendships formed, will mark an epoch in the life of many a teacher.

California will necessarily send the greatest delegation. Washington will send a host, both from the eastern and western divisions. Idaho and Montana promise a full attendance. And now, dear teacher, what about Oregon? What about Eastern Oregon? Shall we show to the world that we have less interest than any state west of the Mississippi? As you are aware, the state of Oregon has been organized into two divisions, the western division and the eastern division of the state teachers' association. The indications are that the western division will send a good representation. It is true that our expenses from Eastern Oregon will be a little more than theirs, but it is not as much as from Eastern Washington or Idaho or Montana. The expenses can be estimated as follows:

The O. R. & N. will sell round-trip tickets to Portland for one-and one-fifth fare; from Portland to Los Angeles and return by ocean steamers, or to San Francisco and return by steamer and from S. F. to Los Angeles by the Southern Pacific, ticket of $35 is offered. The S. P. will make a rate of $35 for round trip from Portland, overland route. Tickets on sale July 5th to 9th inclusive. Good hotel accommodations can be secured in Los Angeles from $1 per day up to $3. It will thus be seen that the expenses can be kept very low.

I have been asked to make a report at the earliest possible date, of those intending to take advantage of these rates. You will therefore confer a favor by informing me at your earliest possible convenience of your intention to attend. Those who desire to establish an Eastern Oregon headquarters at the N. E. A. please indicate the same in your replies.

HIRAM TYREE,

Discovered By a Woman.

Another great discovery has been made, and that too by a lady in this country. "Disease fastened its clutches upon her and for seven years she witnstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hamnick & Co., of Shelby N. C. Trial bottles free at Marsh & Medler's drug store. Regular size 50c and $1.00. Every bottle guaranteed.

All Going to the Circus.

Everybody is talking about Ringling Bros', famous big circus, which is to exhibit in The Dalles Saturday, June 10. Several big excursions will go from this vicinity and the popularity of the show will insure an enormous crowd. People from this locality should make an especial effort to arrive in time to see the new free street carnival which precedes the exhibition every morning at 10 o'clock. The procession is divided into thirty enormous sections, each of which is a complete parade, and presents in its entirety a bewilderingly-magnificent two-mile carnival of a pageantry such as the world has never seen. In this gorgeous display are shown over one hundred beautiful dens and cages of wild animals, five hundred horses, 25 elephants and nearly a thousand people, and the costumes throughout are of the finest silks, satins, velvet and cloth of gold. The performance that follows is the most magnificent arenic display ever presented by any circus in America.

Potter and John Morrow, under the firm name of Potter & Morrow, conducting a bowling alley, billiard hall and confectionery store, in Wasco, Ore., is hereby by mutual consent dissolved; John Merrow retiring from the business, and J. G. Potter assuming all obligations and agreeing to pay all debts against the firm and collecting all bills due it.

Dated at Wasco, Ore., this 27th day of May, 1899.

J. G. POTTER,
JOHN MORROW.

I was seriously afflicted with a cough for several years, and last fall had a more severe cough than ever before. I have used many remedies without receiving much relief, and being recommended to try a bottle of Chamberlain's Cough Remedy, by a friend, who, knowing me to be a poor widow, gave it to me, I tried it, and with the most gratifying results. The first bottle relieved me very much and the second bottle has absolutely cured me. I have not had as good health for twenty years. Respectfully, Mrs. Mary A. Beard, Claremore, Ark. Sold by Marsh & Medler.

The Appetite of a Goat

Is envied by all poor dyspeptics whose stomach and liver are out of order. All such should know that Dr King's New Life Pills, the wonderful stomach and lives remedy, gives a splendid apperite, sound digestion and a regular bodily habit that insures perfect health and great energy. Only 25c at any drug store.

ANAEMIA

is a disease met with among young women principally. It is very common and is a forerunner of consumption. It is a disease of the blood. There is only a small quantity of blood in the system, and it is of a poor quality. The symptoms of the disease are quite numerous. They are readily discerned. If the progress of the disease is not checked death from consumption or some other disease is inevitable. HUDYAN will check its progress. HUDYAN will enrich the blood and make the patient strong. HUDYAN is for women as well as men. HUDYAN is a vegetable remedy, and it is harmless in its effect. It contains no iron to cause the teeth to decay. If you are suffering you should take HUDYAN now and then note the change in your condition. Study your symptoms carefully. These are your symptoms. Take HUDYAN now and they will disappear.

YOUR WEAK POINTS ARE:

1. CONSTANT HEADACHE—THE feeling is as though the head were going to burst from too much pressure. HUDYAN, by its action on the blood, will equalize the circulation of blood and the headache will disappear.

2-2. SUNKEN EYEBALLS AND DARK RINGS BENEATH THE EYES. HUDYAN will cause the rings to disappear and make the eyes bright.

3-3. PALE CHEEKS, from the poor quality of the blood, it being almost devoid of red coloring matter. HUDYAN will enrich the blood and cause the cheeks to become bright and rosy.

4. WEALNESS IN THE HEART. This is the most pronounced symptom. The heart becomes weak and there is a constant sinking feeling around it. HUDYAN will make the heart strong and cause it to beat regularly, and the sinking feeling will disappear.

5. FEELING OF WEIGHT IN THE STOMACH AND INDIGESTION. This is due to the fact that the food in the stomach is not acted upon by healthy blood therefore it is not properly digested. This leads to habitual constipation. HUDYAN will cause the food to be properly digested, improve the appetite and relieve the constipation. HUDYAN will relieve all the above symptoms and make you well. HUDYAN is for you. It is for men and women. After you are cured tell other women what HUDYAN has done for you. There are many other sufferers and they also wish to be cured. HUDYAN can be procured of druggists for $2 per package, or six packages for $2.50. If your druggist does not keep it send direct to the Hudyan Remedy Co., San Francisco or Los Angeles, Cal. Call upon the HUDYAN doctors. Consultation is free. You may call upon the doctors or write, as you desire. Address
