New Family in Keizer Area

KEIZER, March 25—Mr. and Mrs. E. S. Taylor and their nine year old daughter, Dora Bell are recent arrivals in the Keizer community, having rented the Walter Pearmine house. Mr. Taylor will be employed at the Ryhart Poultry farm. He has been associated in the poultry department at O. S. C for a number of years.

FRUIT, VEGETABLE MART ACTIVE

HAY MARKET SLOW DUE TO SPRING

Good Alfalfa Is Scarce But Demand Is Not Excessive

Alfalfa markets continued unchanged during the week ending March 26 with light receipts about equal to the moderate demand. High grade leafy hay was exceedingly scarce in the central western market while growing pastures and green feeds were restricting demand on the Pacific Coast.

Middle western receipts fell off sharply during the week, being the smallest for any one week since the first of the year. This reduction was due largely to the low prices and increasing activity in other farm work, which interferred with baling in producing sections.

Pacific Northwest markets held steady with U. S. No. 1 quoted to the trade at Portland March 24 at around $20.50 per ton and around $18.50 per ton at Seattle.

Receipts at Portland were light but mostly of high grade and sold readily to stockyards, rabbit feeders and dairymen. Receipts at Spokane the past week were largely from the Yakima Valley and quotations were around $20.00 per ton at that market. F. O. B. prices at shipping points in the Hermiston and Walla Walla districts were around $15.00 per ton, and $14.00-14.50 in the Yakima valley.

POLISH CABINET IS NOT YET ORGANIZED

WARSAW, March 26 — (AP) —After a week of efforts to form a new government, Prof. Szymanski, president of the senate and well known oculist, indicated tonight he would be unable to form a cabinet to succeed that of Premier Casimir Bartel, who resigned March 14.

The cause of his failure was refusal of representative deputies of the sejm to accept conditions laid down by Marshal Pilsudki, former dictator and "strong man" of Poland, who had been asked to take the ministry of war.

In view of the friction between the marshal and the diet this failure had been foreseen since the professor was asked on March 18 to try get together a cabinet.. Some political leaders affirmed that he had been asked to do this merely to postpone the sitting of the diet.

MARRIAGES RUSHED BY INDIAN NATIVES

BROACH, Bombay Presidency, India, March 26—(AP) — This district is so busy making marriages to forestall the new Sarda act raising the age for consent, which comes into force April 1, that attendance at a meeting addressed by Mahatma Gandhi at Tresela today was comparatively sparse.

Commenting on his small audience, Gandhi said "without knowing what is proposed in the Sarda act, you are afraid of it and are busy marrying off little children. All this ignorance is the cause of your slavery."

He said that some Mohammedans had asked why he did not march through their villages and declared he would if he were invited.

CHICAGO GRAIN

CHICAGO, March 26—(AP)—Unaware that the government report issued after the close would make a relatively bearish exhibition as to intended plantings, wheat traders advanced prices today. Private advance estimates were that official figures on prospective domestic spring wheat acreage this season would show a reduction of about 10 per cent whereas the government report put the expected total 20,197,000 acres against 20,979,000 acres last year. Today's upturns in wheat values were ascribed largely to buying on the part of farm board allies and to urgent need of rain in the southwest.

Wheat closed firm at the same as yesterday's finish to 7-8c higher. Corn closed unchanged to ⅛c off and oats 1-8 to 3-8c up.
