DEMAND FOR STRAWBERRIES IS BIG

* * * * * * * * * * * *

BUTTER VALUES ARE NOW STEADIER

Egg Supplies Liberal With Demand Falling Away

PORTLAND, May 6.—(AP)—Butter values appeared to be steadier today with supplies on the street lighter than usual. No change was made in prices at the produce exchange.

Egg supplies were liberal and demand light. No price changes were announced.

Renewing the fruit and vegetable situation, the Portland bureau of the U. S. department of agriculture says:

"Strawberry receipts were curtailed due to rains at California shipping districts Saturday; consequently, supplies were cleaned up at an early hour, at $2.75 per 20-pint crate. Frost throughout the Hood River district last Saturday night resulted in much damage to strawberries there. First unofficial reports indicate greatest damage in the upper portion of the valley.

"Orange supplies are almost entirely confined to Valencias now, with Navels being confined to "clean-up' lots, mostly. The market remains steady.

"Lettuce advanced to $4.00 per crate of best stock, due to prospective lighter shipments in the immediate future. Quality continues good, with resultant active consumer demand.

"The market is over supplied with spinach now. National carlot shipments are light now, but local supplies are liberal throughout the east; otherwise the northwest could be loading considerable volume of spinach for eastern shipment.

"Potatoes continue dull. Idaho dealers assert that there are only 450 to 500 cars of potatoes still available for shipment from that state."
