It is published monthly and circulates from Maine to Oregon and from North Dakota to Texas. Every home in Sherman Co. would have more sunshine and happiness in it did the Farm Journal go there regularly. We are prepared to send it from this time up to December, 1903, to every subscriber who pays up his subscription for the NEWS a year in advance, and to all new advance-paying subscribers.

About one month ago my child, which is fifteen months old, had an attack of diarrhoea accompanied by vomiting. I gave it such remedies as are usually given in such cases, but as nothing gave relief, we sent for a physician and it was under his care for a week. At this time the child had been sick for about ten days and was having about twenty-five operations of the bowels every twelve hours, and we were convinced that unless it soon obtained relief it would not live. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended and I decided to try it. I soon noticed a change for the better; by its continued use a complete cure was brought and it is now perfectly healthy.—C. L. Boggs, Stumptown, Gilmer Co, W. Va. For sale by Marsh & Medler.

CONSUMPTION

In its incipient stage may be cured. This fact has been established. It has been proved beyond a doubt by thousands of persons who have used the great blood, nerve and tissue builder, HUDYAN. HUDYAN has drawn thousands away from the clutches of the dread disease. There is no denying the fact. Many people have been restored to perfect health by HUDYAN after their cases were pronounced hopeless by the best physicians. You can be cured if you will. Do not delay. Remember that delays are dangerous. They are especially so in cases of incipient consumption. Look at these symptoms. Study them carefully. Are they yours? Then you must be careful. You are within the grasp of consumption. HUDYAN will release you. Take HUDYAN now.

1. FLUSHING OF THE CHEEKS IN THE AFTERNOON AND EVENING—the hectic flush—the first symptom of consumption. HUDYAN will cause it to disappear. HUDYAN will establish a perfect circulation of the blood and cause the cheeks to assume a normal rosy color.

2. TICKLING IN THE THROAT AND COUGH. At first the cough is a slight hack—that is the first indication. HUDYAN will stop the tickling and the cough. HUDYAN will relieve it in a few days.

3. A SLIGHT PAIN IN ONE OR BOTH LUNGS, usually near the tops. This is an indication that the consumptive germ has invaded the lung tissue. HUDYAN will eradicate the germ. HUDYAN will restore the lung tissue to a healthy condition and prevent further destruction.

4. WEAKNESS AROUND THE HEART. The heart is becoming weak. HUDYAN will strengthen it and cause the weakness to disappear.

You have the symptoms. Be wise. Take HUDYAN before it is too late. Do not allow your case to go on to the incurable stage. If you do there will be no help for you. HUDYAN should be used at once. It will make the lung tissue strong and the germs of the disease will be rapidly drawn from the system. Then you will regain your health and strength. HUDYAN can be obtained of all druggists for 50c per package or 6 packages for $2.50. If your druggist does not keep HUDYAN, send direct to the HUDYAN REMEDY COMPANY, San Francisco or Los Angeles, Cal. A staff of physicians and surgeons may be consulted free if you will call.
