MARKETS CLOSED MEMORIAL DAY

FEW FRUIT PURCHASES ARE MADE

Perishable Products Move in Small Quantity

PORTLAND, May 30—Trading in fresh fruits and vegetables was confined largely to immediate needs Thursday, in view of Friday's holiday. Highly perishable fruits, as strawberries and cantaloupes especially, moved in small quantities. Strawberries show uniformly finer quality now, and prices are still very satisfactory, although about 25c per crate lower than yesterday's level. Best berries moved to retailers at $2.75-$3.00 per crate.

Current cantaloupe harvestings at the Imperial valley now show a much larger percentage of ripes, for western shipment. That means probably greater cantaloupe supplies in the northwest next week. Quality of cantaloupes varies widely. Some poorer stock is discounted, but good cants are steady.

Old potatoes are meeting with better demand, but carlot track sales today are a shade lower. "Combination grade" Yakima Gems sold on the track to Portland distributors today below the $3.00 mark, this being probably the lowest price at which Yakimas have sold here for several months.

Tomato supplies are heavy, and the market is easier, especially for inferior stock.

PICNICS ENJOYED

TURNER, May 30—School picnics were enjoyed by the school children Wednesday. The high school and their teachers went by school bus to Hazel Green park. The grade pupils and their teachers, enjoyed their picnic a short way out of town, at one of the beautiful spots along Mill creek which is situated on the N. E. Denyer farm.

KIWANIS ENJOY TALK

DALLAS, May 30—Rev. W. S. Dunsmore of Monmouth was the speaker at the Kiwanis luncheon this week, which was held on Thursday, since Friday was Memorial day. Rev. Dunsmore's talk was along the line of Memorial day observance. Special vocal numbers were given by Mrs. Victor Kem, accompanied by Miss Helen Morrison.

CHICAGO GRAIN
CHICAGO, May 29—(AP)—End-of-the-month deliveries of wheat on a big scale proved to be a decided handicap today for friends of higher prices. The market at times made strong rallies on account of bullish crop reports both domestic and foreign, but the gains failed to hold well. Today's deliveries on Chicago May wheat contracts aggregated 1,627,000 bushels, with further large deliveries looked for Saturday.
