BITS... Of General Knowledge

By W. L. GORDON

A curious phenomenon that is very common in tropical regions is a shower of fishes. It is caused by a strong upward draft in the center of a whirling column of air. This sucks up the fishes from a body of water, carries them through the air and drops them at some distant point.

CHICAGO GRAIN

CHICAGO, May 29—(AP)—End-of-the-month deliveries of wheat on a big scale proved to be a decided handicap today for friends of higher prices. The market at times made strong rallies on account of bullish crop reports both domestic and foreign, but the gains failed to hold well. Today's deliveries on Chicago May wheat contracts aggregated 1,627,000 bushels, with further large deliveries looked for Saturday.

Strawberries Become More Plentiful in City

Unusual quiet prevailed along market row on Saturday, with demands normal and no price changes recorded.

Strawberries were more plentiful and for the first time this season the supply seemed equal to the demand.

Impressive Service Held at Belle Passi Cemetery Friday

WOODBURN, May 31—Despite the cloudy skies and cool wind Friday a large number of people were present in the Belle Passi cemetery to honor the dead buried there and to witness the Woman's Relief Corps ceremony.

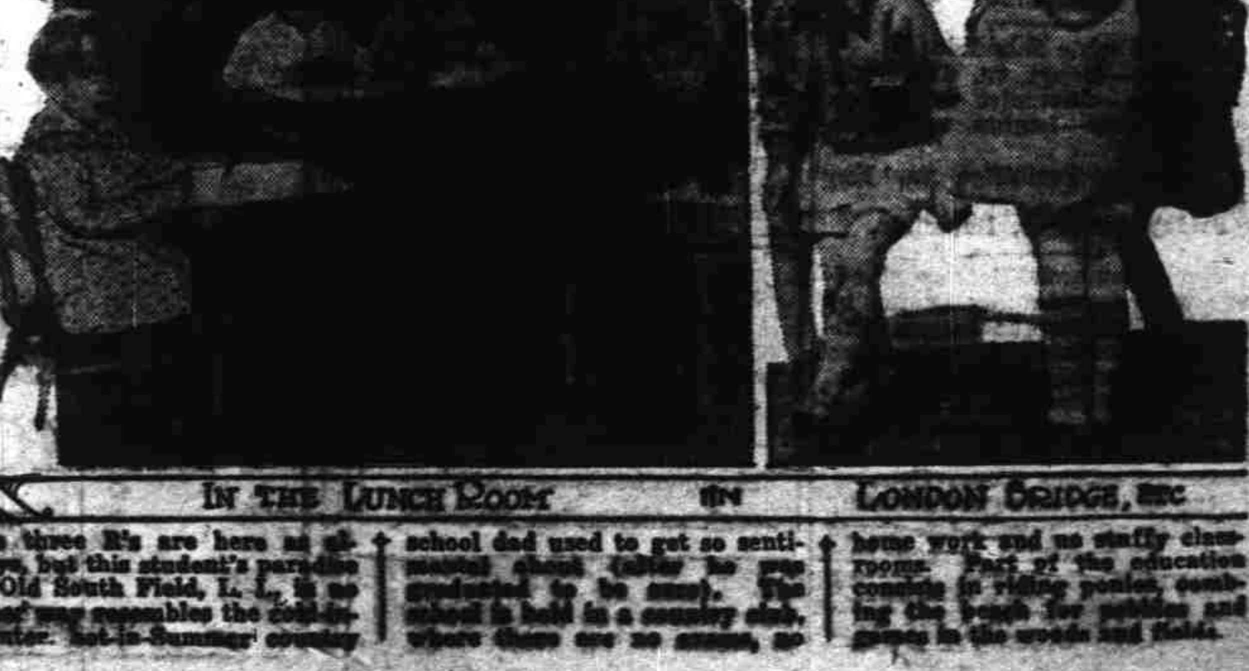
The regular ritual of the Corps was used and the speaker was Rev. John T. Myers. Jessie Sims read Lincoln's Gettysburg address and Ines Elliott and Ruth Geer sang "The Star Spangled Banner" followed by a salute by the O. N. G. firing squad. Concluding the services at the monument, Rev. Myers offered a short prayer.

The Boy Scouts, Relief Corps and National Guard were present in a body and Comrade William Church, veteran of the Civil war, lead the parade to the monument.

Educational Experiment Hailed by Youth

Absence of Exams and Homework, Combined with Interesting Outdoor Sports, Makes Makes Paradise for Pupils.

OLD FIELD COUNTRY DAY SCHOOL.



IN THE LUNCH ROOM — LONDON BRIDGE, ETC.

The three R's are here as always, but this student's paradise at Old South Field, L. I., in no other way resembles the cold-in-Winter, hot-in-Summer country school dad used to get so sentimental about (after he was graduated to be sure). The school is held in a country club, where there are no exams, no home work and no stuffy classrooms. Part of the education consists in riding ponies, combing the beach for [illegible] and games in the woods and fields.
