Sermonette

The Jesus Way of Living

By REV. CHAS. E. WARD
(Pastor First Congregational Church)

"If any of you have not the spirit of Christ you are none of His."—Romans 8:9.

To become a Christian is to begin a certain wonderful way of living that you will be glad to continue into eternity. First of all it is to live with a goal before us: to lift life upward and carry it forward. Much of the discontent of people is due to a lack of a noble and challenging goal in life. Multitudes of people could not honestly say they are living for a vital and worthy object!

Through the ages God has been lifting men up from jungle ideals to the ethics of Jesus. One day our Lord said: "My Father worketh even until now and I work." Jesus called this great enterprise the Kingdom of God. To its building in the hearts of men Jesus bent his energy and for it he gave his life. When one becomes a Christian he enlists with Jesus as a Kingdom builder. As Paul said "For ye are fellow workers with Christ."

And second it is a joyful way of living. Jesus said to the Disciples: "My joy I give unto you." But not all of his disciples seem to have accepted the gift! It is the joy of usefulness that he has bequeathed to us. It is also the joy of friendship. He who lacks the friendly heart has not yet found the Jesus way of living.

Former Member Christ Lutheran Church, on Furlough From India Mission Field, To Speak Sunday

Missionary Schaefer, on furlough from Indian for almost a year, will occupy the pulpit in the Christ Lutheran church Sunday both at the German services at 9:45 a. m., and the English services at 11 a. m.

The members will bring their lunch with them and eat in the church parlors, where an opportunity will be given them to become better acquainted with the missionary and his wife. At 2:00 o'clock Mrs. Schaefer will speak to the congregation.

Rev. and Mrs. Schaefer have spent the greater part of their furlough in giving addresses on their work in India throughout the United States and Canada and Christ Lutheran church considers itself fortunate in having secured these interesting speakers. They intend to return to their field of labor in the fall.

The union of the Iowa Synod, the Buffalo Synod and the Ohio Synod with congregations not only in the United States and Canada but all over the world, into the American Lutheran church at the joint meeting of the bodies to be held in Toledo, Ohio, in August will unite two large fields in India and a field in New Guinea that were turned over to Lutheran societies in America during the war because the German societies might no longer keep them. This union will give great impetus to all Lutheran activities, including foreign mission work.

What will add to the interest of the occasion is the fact that Mrs. Schaefer is a former member of Christ church in Salem. Besides Mrs. Schaefer, Christ Lutheran has in church work at large Rev. Samuel Lentz, Medical Lake, Wash., Rev. Fred Theuer now on his way to Germany with his parents in order that he may continue his studies at Erlangen, Germany, and Rev. Walter Batterman, home missionary at Ratison, Canada.

The annual reception to alumni, students, trustees, faculty and friends of the Kimball School of Theology will be held Monday evening at 8 o'clock in Kimball hall.

President and Mrs. John M. Canse of the school have extended a general invitation to the many friends of the institution to attend.

Special interest attaches to this occasion because of the size of the class being graduated and the uncertainty of the theological school work to be sponsored by the seminary in the future.

This reception has come to be an attractive feature of the commencement festivities.
