Dog Gets Way To Watch His Injured Pal

GERVAIS, Jan. p1 — Carol, six-year-old son of Mr. and Mrs. W. W. Pope, was struck by a car Tuesday morning, fracturing his left leg between the knee and ankle. Carol always goes part way to school with his sister. He was throwing a comb up and catching it, when it fell on the pavement and he ran out to get it.

The car came suddenly off a side street, neither one seeing the other until too late.

"Pud," Carol's dog, followed the doctor's car to his office and in an effort to know what was being done to his master climbed on top of the car to try to see through the window. When the patient, with his mother and the doctor, were in the car to go home the dog jumped up on the hood of the car and seated himself facing the windshield so that he could watch his master.

Another Boy Hurt

EAST WOODBURN, Jan. 21—Leonard Obersinner, six-year-old son of Mr. and Mrs. Joseph Obersinner, met with a serious accident while on his way home from school Monday afternoon.

Leonard, with three other children, was walking along the edge of a steep embankment when he fell over and part way down caught one leg in a crevice, breaking the leg between knee and hip. He was rushed to the Silverton hospital, where he will be confined for at least a month.
