LABISH BERRY MEN RECEIVING 4 CENTS

LAKE LABISH, June 7—A number of local berry men have had crews harvesting their Marshall berries the past six or seven days. They are getting four cents per pound for them, which is somewhat better than was anticipated. There is nothing definite as to the fate of the local Etterbergs.

There is a very good stand of onions this year, and they are growing rapidly. Practically all of the extra labor has been laid off. Most of the workers who helped through the first onion weeding are now picking strawberries.

E. J. Weinman has loosened onion patch in an experiment to determine whether or not they will destroy the onion fly, a costly local pest. If the birds seem to do it others will be turned loose in the Labish section. The guineas are domesticated birds and usually stay pretty close to the home roost.

BONDS STILL FIRM BUT SHARES DOWN

Interest Lags, Half Recent Gains Lost But Move is Deemed Technical

NEW YORK, June 7—(AP)—Interest in stocks lagged today and the markets sold off, closing on a base that represented cancellation of not quite half last week's advance.

It was a leisurely decline and Wall street still labeled it technical, finding more significant the strong undertone of bonds and the dollar's ability to improve in terms of foreign monies.

American Tobacco "B" and Ligget & Myers "B" were down approximately 3 points. Drug, American Telephone, Macy, General Foods, Delaware & Hudson, Norfolk & Western, First National stores and a few Preferreds lost about 2 or more, while in U. S. Steel, National Biscuit, Westinghouse, Union Carbide, Consolidated Gas, Public Service of New Jersey, American Can, Allied Chemical, New York Central and Southern Pacific losses ranged from 101½. Brooklyn-Manhattan Transit slumped 3 but the Preferred steadied.

Auburn was rather active, losing 2 points at the worst. Announcement of a regular quarterly dividend came just at the close.

BIRTHS REPORTED

STAYTON, June 7—Mr. and Mrs. Ted Freres are the parents of an 8 pound son, born Sunday at the Stayton hospital with Dr. Brewer in attendance. Mr. and Mrs. Tony Michels are the parents of a nine pound daughter born Monday, Dr. Beauchamp, being in attendance.

CANADIAN WHEAT GETTING CALL
STRAWBERRY PRICE LOWER AGAIN

Prospects of Bumper Crop Cause Price To Drop Again

CHICAGO, June 7. —(AP)—Faced by prospects of bumper crops of spring wheat in Canada and the United States, wheat values today again outdid season low price records.

Retrograde action of securities counted also as a bearish influence on grains. Another weakening factor was evidence that although Canadian export business had reached a huge total, 7,000,000 to 10,000,000 bushels in the last few days, demand abroad for United States was reduced nearly to zero.

Wheat closed nervous 7-8 to 1 1-8 under yesterday's finish, corn ¼ to 5-8 up, oats 1-8 to ½ down.

Today's closing quotations:

Wheat: July (old) .51 3-8 to 1-2, (new) .51 3-8 to 1-2, Sept. (old) .53 5-8 to 3-4, (new) .53 1-4 to 3-8, Dec. .56 1-2 to 5-8.

Butter Shortage Held Likely; Decrease Of Make Noted

PORTLAND, June 7.—(AP)—With the decreasing make of butter, fear is now expressed that a real shortage of fresh churning will be shown within a short time. A survey suggests that while the grass appears green and of good quality, the ground is as hard as a bone, which means that grazing operations will soon be greatly curtailed. That usually means a further decrease in the output of butterfat, and butter.

There was no further change in the price of either for the day.

More than passing weakness is reflected in the market for light weight hens with 8 to 9c lb. the general buying price.

Light broilers are also weak. Turkeys are in call but at the extreme low price.

Wholesalers cut the price of strawberries Tuesday to conform to the lower values forced on the primary market. Sales are not generally above 75c crate with the bulk below that.
