EASE AND DISEASE.

A Short Lesson on the Meaning of a Familiar Word.

Disease is the opposite of ease. Webster defines disease as "lack of ease, uneasiness, trouble, vexation, disquiet." It is a condition due to some derangement of the physical organism. A vast majority of the "dis-ease" from which people suffer is due to impure blood. Disease of this kind is cured by Hood's Sarsaparilla which purifies, enriches and vitalizes the blood. Hood's Sarsaparilla cures scrofula, salt rheum, pimples and all eruptions. It tones the stomach and creates a good appetite, and it gives vigor and vitality to the whole body. It reverses the condition of things, giving health, comfort and "ease" in place of "disease."

Minister's Mistake.

A city minister was recently handed a notice to be read from his pulpit. Accompanying it was a clipping from a newspaper bearing upon the matter. The clergyman started to read the extract and found that it began: "Take Kemp's Balsam, the best Cough Cure." This was hardly what he had expected, and, after a moment's hesitation, he turned it over, and found on the other side the matter intended for the reading.

When you want prompt acting little pills that never gripe use DeWitt's Little Early Risers.—Foshay & Mason.

For Malaria, Chills and Fever

THE BEST PRESCRIPTION IS

Grove's Tasteless Chill Tonic.

The formula is plainly printed on every bottle—hence you know just what you are taking when you take Grove's. Imitators do not advertise their formula knowing that you would not buy their medicine if you knew what it contained. Grove's contains Iron and Quinine put up in correct proportions and is in a Tasteless form. The Iron acts as a tonic while the Quinine drives the malaria out of the system. Any reliable druggist will tell you that Grove's is the *Original* and that all other so-called Tasteless Chill Tonics are imitations. An analysis of other chill tonics shows that Grove's is superior to all others in every respect. You are not experimenting when you take Grove's—its superiority and excellence having long been established. Grove's is the only Chill Cure sold throughout the entire malarial sections of the United States. No Cure, No Pay. Price, 50c.
