Floods Give 19 Pupils Another 5-Day Vacation From Oak Point School

OAK POINT, Jan. 18—Half of the pupils of Oak Point school have been absent on account of the high water. The children from the Horst company and Durbin and Cornoyer hop ranches and the Diehm children from the Titus ranch are shut in from the high water, making 19 absent since Monday.

The road from the highway to the Horst company ranch is completely covered with water, and only one high place is seen in the road from the highway to the McLaughlin ranch, but Bert Gwin, superintendent, reports the water going down fast and thinks they will be able to come out by Saturday.

No-Consideration Claim Is Refuted

Denying that note and mortgage involved in suit brought against John H. Miley and wife by the Union States Life Insurance company, was given without consideration, the Mileys yesterday filed answer and counterclaim in the suit.

The defendants allege that agents of the Capitol Underwriters corporation made misleading representations in securing the note and mortgage. Defendants claim further that at time the note was executed the Underwriters were selling subscriptions for its capital stock under permit from the state corporation department on condition that such stock be sold for cash or its equivalent, and that attempted sale of such stock in exchange for the note and mortgage was contrary to law. Defendants ask the suit be dropped, the note and mortgage declared invalid and return of $72 with interest.
