#### Don't Lose It!

There are one hundred and one ways to lose your money if it is not put in the bank. It might be stolen, lost, burned up, misplaced or misspent. But when placed in a bank none of these can happen to it. Furthermore, you have a written record of where it came from and where it is spent. Your deposit took shows just when every dollar was deposited and your cancelled checks show just how and when it was expended. You will find it a decided advantage to handle all your funds in this way. We open an account for any amount, and large or small alike have the same careful attention.
