TELEGRAPHIC NEWS

Danger Ahead.

Victoria, July 29.—The greatest excitement prevails among those interested in the sealing industry. The British schooner Triumph arrived from Behring sea this afternoon with news of the capture by the American cutter of the British schooner Black Diamond in Behring sea, The Triumph entered Behring sea July 11; on the 13th it was sighted by the revenue cutter Rush, whose captain boarded and informed Captain McLean he had orders to seize any schooners found taking seals in Behring sea, The Triumph, not having taken any, was allowed to depart. The commander of the Rush informed Captain McLean that two days previous he had captured the Black Diamond, with 130 shins. A prize crew was put aboard her and she was sent to Ounalaska. The Diamond is owned by Guttman & Frank, of this city, and is valued at about $10,000. The triumph considered it better to leave for Victoria.

Sealers are fighting, and trouble is anticipated. The cutter only has crew enough to put two or three aboard the seized schooners leaving the captain of the schooner in charge. The schooners will be immediately re seized and headed for Victoria, American prize crew and all, Here they will be handed over to the naval authorities to deal with the matter,

The Triumph has 800 skins. The news of the capture has caused great excitement, and futher news is anxiously looked for. Some of the vessels have tough crews aboard, and trouble is almost certain.

A Chicago Storm.
