Bunce Divorce Case Up Again

Guardian Asks Decree Be Set Aside; Grounds of Fraud Stated

Having failed in an attempt to get the divorce suit of M. A. Bunce against C. E. Bunce reopened because of failure to appoint a guardian ad litem, R. H. Bassett, guardian of C. E. Bunce yesterday filed suit to have the divorce decree, granted January 6, 1930, set aside on grounds of fraud.

The complaint makes Ida Cannos, individually and as joint executrix of Mrs. Bunce's estate and Bruce Fenwick defendants of the case. Mrs. Bunce died after receiving the contested divorce decree.

The plaintiff asks that the decree of divorce be set aside because Mrs. Bunce at the time the decree was granted was acting as guardian of her husband who had been committed to the state hospital November 10, 1923. The decree is claimed to be fraudulent because the divorce papers were not served on the guardian, no guardian ad litem was appointed and the plaintiff in the divorce action as guardian assumed a position adverse to the interests of the ward.

At the time of Marietta A. Bunce's death she is alleged to have owned $12,000 in real property and $3000 personal property. The plaintiff claims that a part of this property is rightfully owned by C. E. Bunce.

Movable Waiting Sheds For Pupils Receive Approval

A plan for installation of movable waiting sheds for school children to be placed at strategic points in the various school districts was outlined to the county court yesterday by C. I. Nelson, district supervisor of the national youth administration. Nelson asked the court for permission to place the sheds on the county roads in positions that would not interfere with the traffic or the view.

The court granted permission with the proviso that each location is to be approved by the county engineer.

Nelson said that material for the waiting sheds would be furnished by the districts and the work of constructing and installing them would be done by the NYA. The first sheds are to be installed in and around the Woodburn district.

VOTERS—*Read Carefully!*

THIS MEASURE APPEARS ON YOUR BALLOT:—
TAX LIMITATION CONSTITUTIONAL AMENDMENT FOR SCHOOL DISTRICTS HAVING 100,000 POPULATION—Purpose: To amend the constitution
". . . to levy taxes not to exceed 80% of TOTAL* 1932 levy . . ."

MASQUERADING UNDER FALSE COLORS—this amendment is not a TAX LIMITATION—it's a TAX BOOST of $1,300,000—although purposely worded to DECEIVE YOU that Portland School District would operate for 80% of the 1932 levy, or 20% less.

This measure is not honestly and fairly presented to you with all facts clearly stated—the main purpose of the bill is CONCEALED.

Portland school census shows rapid decline, over 100 Vacant rooms with 9,000 less enrolled. INCREASED TAXES ARE NOT JUSTIFIED.

*DON'T PERMIT Portland School Board to tamper with present 6% Tax Limitation Law observed by all other School districts in Oregon; or to enact SPECIAL LAWS by Statewide vote for PORTLAND BENEFIT ONLY.

DON'T PERMIT Portland School District to become exempt from FULL LEGISLATIVE CONTROL as to general school laws.

Maintain HOME RULE THROUGHOUT THE STATE and require Portland School District to submit special problems of school operation to the Voters of its own district.
