Petition Protests Silverton Economy

SILVERTON — A remonstrance petition is being circulated at Silverton protesting to three points of Mayor W. H. Moffett's proposed economy program. The three points are the cuts in the lighting system, the police force and the city library.

While they appreciate the mayor's interest in the tax paying public, say the sponsors of the petition, they are in hopes that some other means may be devised whereby the city's financial problems will be solved.
