CCC Unit Receives Order to Disband

Sublimity Group Outlines Accomplishments in Letter to Cross

SUBLIMITY, Ore., Sept. 28-(AP)-Company 2106, civilian conservation corps, one of the top-notch CCC units in the United States, has received a surprise order to demobilize.

The company, composed of young men from Connecticut, addressed a letter to Governor Wilbur L. Cross of that state with mention of some of the company's accomplishments.

Champion Fire Fighters

About 500 Connecticut men, including replacements, have passed through the camp since October 28, 1935, while in Oregon, "they were the champion fire fighting company of 32 camps, having been able to assemble food, clothing, equipment and load their trucks for a 48-hour fight without further replenishments."

Only one of the 500 was arrested, and that for a trifling offense, says the letter. They were six-tenths per cent above normal in an English usage and intelligence test. They average 21 years old and 10th grade schooling.

Budget Group Is To Meet Tonight

SILVERTON—Whether or not Silverton school district expenses will be increased or decreased will be learned at a meeting of the school budget committee in conjunction with the school board Wednesday night.

Appointed to serve on the school budget committee are W. S. Jack, H. W. Preston, Lee Alfred, Arthur Hobart and Dr. R. E. Kleinsorge. The school board is now composed of O. E. Lee, W. P. Scarth, H. B. Jorgenson, Dr. William MacNeill and W. R. Tomison.

Truck Drivers to Get Higher Wages

An increased wage scale for local and Salem-Portland "line" truck drivers was in the making here yesterday as Al Banks, Teamsters union business agent, announced the union had agreed to a new scale and he understood the employers' representatives had said they would sign the new contract. Day Hayes, representative of the Motor Vehicle Owners association, employer-organization, was out of the city and could not be reached for a statement.

Banks said the new scale would be retroactive to September 1, when the past year's contract expired. It provides for an increase of 75 cents per day for line haulers and one of 50 cents per day for local pickup and delivery drivers. Under the new scale the former would receive $5.25 to $7.775 a day, according to the type of truck operated, and the latter, $5.25. There were also minor changes in working conditions, Banks added.
