TEMPERANCE COLUMN.

Edited by Albany W. C. T. U.

IT IS THE ALCOHOL WE FIGHT.

Call me what you will, I hate alcohol. I pray God to give me an everlastingly increasing capacity to hate with burning hatred any agency under heaven that can enslave, imbrute, and take away the best part of a man's life and give him nothing but an awful, black and fearful recollection to pay for it.—John B Gough.

Alcohol is the one evil genius, whether in wine, ale or whisky, that is killing the race of man.—Dr Willard Parker.

Since Noah got drunk, and all down through the ages to the present time, it is the alcohol that does the mischief. Not taken in moderation, and in almost every instance the commencement was with beer, cider and wine, pronounced harmless by men and women who ought to have known better, because the evil results appear on every hand. Nine-tenths of the drunkards of to-day commenced on beer and light wines, but the alcohol which they contained nourished the appetite until it mastered its victims. There can be no compromise on beer. It is the devil's kindling-wood. In every state where a discrimination has been made between what are called the stronger and the lighter drinks, drunkenness, disease and death follow with sure and certain tread until it has to be abandoned. The prohibitory amendment now before the people of the state of New York, includes brewed and fermented as well as distilled drinks, because all are alike bad and evil in their results. The prohibitory laws of every state include the so-called lighter drinks. The state of Iowa tried the discrimination awhile, but was compelled for self-preservation to prohibit all alike. It is the alcohol that kills, and hence it is the alcohol that we fight to the death.

"ORIGINAL PACKAGE" LEGISLATION.

The village of Leland, Iowa, was invaded last month by an "original package" man, who came to set up a "saloon" under the Supreme Court decision. The town was not incorporated and had no police. "The People" got together and passed the following ordinance:

Section 1. Be it ordained by the people of Leland and vicinity that it shall be unlawful to sell intoxicating liquors of any kind in the city of Leland or its vicinity.

Sec. 2. Any person or persons violating the provisions of Section 1 of this ordinance shall be tarred and feathered and cowhided out of the village and vicinity.

Resolved, That we, as the citizens of Leland and vicinity, pledge ourselves by our sacred honor to see that the above ordinance be enforced, and that the penalty be strictly enforced.

Resolved, Further, that we pledge our patronage to those towns which prohibit the sale of intoxicating liquors, and to those parties who assist in the noble work of eradicating the evil.

The "saloon" keeper took in the situation and left town.

GARLAND STOVES AND RANGES

This Trade Mark on a stove means it is the best that experience and skill can contrive. Sold only by Smith & Senders.
