Daily Democrat.

TANGENT.

There is entirely too much rain for the farmers to get in their crops. Many have not sown any grain yet.

The fall grain is looking well, but the rain will cause it to turn yellow and also retard its growth.

The fruit promises well; cherries are a month later than common, they will not be ripe before the last of June. If the codlin moth will let the apples alone there will be plenty of that kind of fruit.

Gardens will be late as the ground is in no condition for planting.

There seems to be a good many people coming to our part of the country.

We hear of farms changing hands quite frequently.

The health of the country is fairly good with the exception of measles. The school at Tangent has been closed, and in Dist No 27 many of the scholars will soon be down with the measles, teacher included.

Mr W H Churchill, who lives 3 miles southeast of Tangent, is very low with a complication of diseases. His chances of recovery are very doubtful.

It is supposed that John Canavan is happy since he can now be called papa.

A J Olin has been interested in a case of mumps for the past week.

It is time for everybody to do their road work, for they are in rather a bad condition, so many deep mud holes it is little pleasure to go out for a buggy ride. Come boys, get to work and fix up the roads, then your sweethearts will be glad to go out riding.

Are not the citizens of Tangent going to get up a picnic, or something else for amusement? It is time that something of the kind was started. NIX.

RAW AS BEEF-STEAK

Baby's Fearful Suffering from Skin Disease Covering Entire Body Cured by Cuticura.

My baby was taken very sick when he was three months old, and in a few days began breaking out. We employed both of the home doctors, and they could do nothing for him. Then we sent for the best doctor in Eaton Rapids, Mich., and he doctored him for two weeks, and he got worse all the time; and then I took him to Jackson, to a doctor who attends especially to skin diseases, and then he got worse than ever. Then I told my husband we had better try the CUTICURA REMEDIES any way; did not have any idea they would do any good, but in less than two months from the time we began giving them to him he was entirely well, and not a spot on him. His hair began growing right off, and we thought he would always be bald-headed. There was not a spot on his whole body, face, and head, only his nose and eyes, but what was as raw as beef-steak. So poor there was not anything but bones, and so weak he could raise neither head nor hand.

MRS. FRANK BARRETT, Winfield, Mich.

"German Syrup"

Asthma. "I have been a great sufferer from Asthma and severe Colds every Winter, and last Fall my friends as well as myself thought because of my feeble condition, and great distress from constant coughing, and inability to raise any of the accumulated matter from my lungs, that my time was close at hand. When nearly worn out for want of sleep and rest, a friend recommended me to try thy valuable medicine, Boschee's German Syrup. I am confident it saved my life. Almost the first dose gave me great relief and a gentle refreshing sleep, such as I had not had for weeks. My cough began immediately to loosen and pass away, and I found myself rapidly gaining in health and weight. I am pleased to inform thee—unsolicited—that I am in excellent health and do certainly attribute it to thy Boschee's German Syrup. C. B. STICKNEY, Picton, Ontario."
