RAW AS BEEF-STEAK

Baby's Fearful Suffering from Skin Disease Covering Entire Body Cured by Cuticura.

My baby was taken very sick when he was three months old, and in a few days began breaking out. We employed both of the home doctors, and they could do nothing for him. Then we sent for the best doctor in Eaton Rapids, Mich., and he doctored him for two weeks, and he got worse all the time; and then I took him to Jackson, to a doctor who attends especially to skin diseases, and then he got worse than ever. Then I told my husband we had better try the CUTICURA REMEDIES any way; did not have any idea they would do any good, but in less than two months from the time we began giving them to him he was entirely well, and not a spot on him. His hair began growing right off, and we thought he would always be bald-headed. There was not a spot on his whole body, face, and head, only his nose and eyes, but what was as raw as beef-steak. So poor there was not anything but bones, and so weak he could raise neither head nor hand.

MRS. FRANK BARRETT, Winfield, Mich.

"German Syrup"

J. C. Davis, Rector of St. James' Episcopal Church, Eufaula, Ala.: "My son has been badly afflicted with a fearful and threatening cough for several months, and after trying several prescriptions from physicians which failed to relieve him, he has been perfectly restored by the use of two bottles of Boschee's German Syrup. I can recommend it without hesitation." Chronic severe, deep-seated coughs like this are as severe tests as a remedy can be subjected to. It is for these long-standing cases that Boschee's German Syrup is made a specialty. Many others afflicted as this lad was, will do well to make a note of this.

An Episcopal Rector.

J. F. Arnold, Montevideo, Minn., writes: I always use German Syrup for a Cold on the Lungs. I have never found an equal to it—far less a superior.

G. G. GREEN, Sole Man'fr, Woodbury, N.J.
