LYONS.

May 18, 1891.

The Lyons' club crossed bats with the Staytons on their ball grounds near this place yesterday. The score stood as follows:

RAW AS BEEF-STEAK

Baby's Fearful Suffering from Skin Disease Covering Entire Body Cured by Cuticura.

My baby was taken very sick when he was three months old, and in a few days began breaking out. We employed both of the home doctors, and they could do nothing for him. Then we sent for the best doctor in Eaton Rapids, Mich., and he doctored him for two weeks, and he got worse all the time; and then I took him to Jackson, to a doctor who attends especially to skin diseases, and then he got worse than ever. Then I told my husband we had better try the CUTICURA REMEDIES any way, did not have any hope they would do any good, but in less than two months from the time we began giving them to him he was entirely well, and not a spot on him. His hair began growing right off, and we thought he would always be bald-headed. There was not a spot on his whole body, face, and head, only his nose and eyes, but what was as raw as beef-steak. So poor there was not anything but bones, and so weak he could raise neither hand nor head.

MRS. FRANK BARRETT, Winfield, Mich.
