The Famous Trout.

The Florence West has the following takeoff on the basket of trout presented to President Harrison:

A man named Clay
Went out one day
Upon a ramble bent.
A Sunday deed—
He did not heed—
'Twas for the president.

He found a nook,
Bated his hook
And cast it in the lake;
He pulled it out,
Took off a trout,
Says he, "This takes the cake."

He next day went,
With people blent,
Unmindful of the rain,
'Mid shot and shout,
Basket and trout
Gave porter of the train.

Loud pealed the shout
For Ben to come out!
But Benjamin never came!
Train sped on—
Trout were gone!!
While they stood in the rain!!!

Some were mad,
And others glad—
A telegram by Tuckers:
"Send back the trout
Over some route,
And we will send you suckers."

RAW AS BEEF-STEAK

Baby's Fearful Suffering from Skin Disease Covering Entire Body Cured by Cuticura.

My baby was taken very sick when he was three months old, and in a few days began breaking out. We employed both of the home doctors, and they could do nothing for him. Then we sent for the best doctor in Eaton Rapids, Mich., and he doctored him for two weeks, and he got worse all the time; and then I took him to Jackson, to a doctor who attends especially to skin diseases, and then he got worse than ever. Then I told my husband we had better try the CUTICURA REMEDIES any way; did not have any life; they would do any good, but in less than two months from the time we began giving them to him he was entirely well, and not a spot on him. His hair began growing right off, and we thought he would always be bald-headed. There was not a spot on his whole body, face, and head, only his nose and feet, but what was as raw as beef-steak. So poor there was not anything but bones, and so weak he could raise neither hand nor head.

MRS. FRANK BARRETT, Winfield, Mich.

"German Syrup"

The majority of well-read physicians now believe that Consumption is a germ disease. In other words, instead of being in the constitution itself it is caused by innumerable small creatures living in the lungs having no business there and eating them away as caterpillars do the leaves of trees. The phlegm that is coughed up is those parts of the lungs which have been gnawed off and destroyed. These little bacilli, as the germs are called, are too small to be seen with the naked eye, but they are very much alive just the same, and enter the body in our food, in the air we breathe, and through the pores of the skin. Thence they get into the blood and finally arrive at the lungs where they fasten and increase with frightful rapidity. Then German Syrup comes in, loosens them, kills them, expells them, heals the places they leave, and so nourish and soothe that, in a short time consumptives become germ-proof and well.

A Germ Disease.

Judges of the horse have given it as their opinion, that Titus, Blumberg's black Percheron stallion, stands at the head in his class. He is in the hands of Mr C E Barrows, an efficient and experienced horseman, who will give his patrons every possible attention. Titus will make the season of 1891, Mondays and Tuesdays at Jefferson; Wednesdays and Thursdays at Scio; Fridays and Saturdays at Albany.

Mr Blumberg is also owner of the standard bred trotting horse, Alwood Breeze, (No 2863), who can be seen at the stable of Trites Bros. The get of this horse are large and fine formed, and only need proper development to show speed.
