A District Institute.

A teachers institute was recently held at Scio, which was pronounced a very successful affair. Prof Russell responded to the reception tendered the teachers in a very pointed, entertaining manner. Mrs Brown was heard in a select reading. Prof Horner delivered the lecture of the evening on "School Management" which was replete with good advice to teachers and pupils. Interspersed during the exercises were songs and music by the band.

The next morning the matter of school institutes was discussed, Prof Russell, who opened it, stating that he intended to organize at least four institutes in the county. He was followed by Messrs Geddes, Brown, Cyrus, Wilson, Goin, Richardson and Morris.

A committee was appointed on program for the next meeting.

M R Brown discussed the subject of school management, and was followed by Profs Goin, Long and Geddes, Mrs Goin, Misses Moore and Myers, Profs Barzee and Sutherland, all giving good ideas on the important subject.

Mrs Goin opened the subject of "Primary Reading," which was discussed by Supt Russell, Messrs Harnish, Cyrus, Barzee, Latta and Mrs Brown.

Supt Russell spoke in behalf of the teachers reading circle.

The subject of orthography was introduced by Prof Geddes, followed by Prof Wilson and Mrs Brown.

Dr Cole spoke on the subject of physiology. Supt Russell and others followed.

A report from the committee on resolutions was read, thanking the people of Scio for the reception, the choir and band for music, Prof Horner for his instructive lecture, Mrs Brown for select reading and Supt Russell for his active labors in school work. Adjourned to meet on Friday evening, Dec 4th.

RAW AS BEEF-STEAK

Baby's Fearful Suffering from Skin Disease Covering Entire Body Cured by Cuticura.

My baby was taken very sick when he was three months old, and in a few days began breaking out. We employed both of the home doctors, and they could do nothing for him. Then we sent for the best doctor in Eaton Rapids, Mich., and he doctored him for two weeks, and he got worse all the time; and then I took him to Jackson, to a doctor who attends especially to skin diseases, and then he got worse than ever. Then I told my husband we had better try the CUTICURA REMEDIES any way; did not have any idea they would do any good, but in less than two months from the time we began giving them to him he was entirely well, and not a spot on him. His hair began growing right off, and we thought he would always be bald-headed. There was not a spot on his whole body, face, and head, except his nose and eyes, but what was as raw as beef-steak. The poor sheep was not anything but loose, and so weak he could raise neither head nor heel.

"August Flower"

"I inherit some tendency to Dyspepsia from my mother. I suffered two years in this way; consulted a number of doctors. They did me no good. I then used your August Flower and it was just two days when I felt great relief. I soon got so that I could sleep and eat, and I felt that I was well. That was three years ago, and I am still first-class. I am never without a bottle, and if I feel constipated the least particle a dose or two of August Flower does the work. The beauty of the medicine is, that you can stop the use of it without any bad effects on the system. While I was sick I felt everything it seemed to me a man could feel. I was of all men most miserable. I can say, in conclusion, that I believe August Flower will cure anyone of indigestion, if taken with judgment. A. M. Weed, 229 Bellefontaine St., Indianapolis, Ind."

MRS. GRAHAM'S

Cucumber and Elder Flower Cream

is not a cosmetic in the sense in which that term is popularly used, but permanently beautifies. It creates a soft, smooth, clear, velvety skin, and by daily use gradually makes the complexion several shades whiter. It is a constant protection from the effects of sun and wind and prevents sun burn and freckles, and black heads will never come while you use it. It cleanses the face far better than soap and water, nourishes and builds up the skin tissues and prevents the formation of wrinkles. It gives the freshness, clearness and smoothness of skin that you had when a little girl. Every lady, young or old, ought to use it, as it gives a more youthful appearance to any lady, and that permanently. It contains no acid, powder or alkali, and is as harmless as dew and as nourishing to the skin as dew is to the flower. **Price $1.00,** at all druggists and hairdressers, or at Mrs Gervaise Graham's establishment, 103 Post street San Francisco, where she treats ladies for all blemishes of the face or figure. Ladies at a distance treated by letter. Send stamp for her little book "How to be Beautiful."

Sample Bottle mailed free to any lady on receipt of 10 cents in stamps to pay postage and packing. Lady agents wanted.

A Revelation.

Few people know that the bright bluish-green color of the ordinary tea exposed in the windows is not the natural color. Unpleasant as the fact may be, it is nevertheless artificial, mineral coloring matter being used for this purpose. The effect is twofold. It not only makes the tea a bright, shiny green, but also permits the use of "off color" and worthless teas, which, once under the green cloak, are readily worked off as a good quality of tea.

An eminent authority writes on this subject: "The manipulation of poor teas, to give them a finer appearance, is carried on extensively. Green teas, being in this country especially popular, are produced to meet the demand by coloring cheaper black teas by glazing or facing with Prussian blue, turmeric, gypsum, and indigo. *This method is so general that very little genuine uncolored green tea is offered for sale.*"

It was the knowledge of this condition of affairs that prompted the placing of Beech's Tea before the public. It is absolutely pure and without color. Did you ever see any genuine uncolored Japan tea? Ask your grocer to open a package of Beech's, and you will see it, and probably for the very first time. It will be found in color to be just between the artificial green tea that you have been accustomed to and the black teas.

It draws a delightful canary color, and is so fragrant that it will be a revelation to tea-drinkers. Its purity makes it also more economical than the artificial teas, for less of it is required per cup. Sold only in pound packages bearing this trade-mark:

BEECH'S TEA

"Pure As Childhood."

If your grocer does not have it, he will get it for you. Price 60c per pound. For sale at
