Daily Democrat.

CANADA.

Mr Chas Cummings and Burrell Bros. returned yesterday from a week's hunt in which they had good success, killing eight deer, a black bear and a wild cat.

Mr Frank Gleason and family were visiting Mrs G's parents last week, Mr and Mrs Cummings.

The dance last Friday night at Mr Neuguist's was a fine affair.

Mr Bishop had the misfortune to loose one of his fine mares yesterday.

We have only one more week after this of school.

Lawrence Densmore went below today, where he is engaged in doing some grubbing for Mr Crabtree.

We hxve had considerable rain lately, which affords us plenty of mud.

The Happy home school is progressing nicely with Miss Ross as teacher.

Mrs Taylor, who has been sick for over two months is slowly improving, only being able to sit up a little.

Grandpa Cummings had quite asmashup a few days ago when on his turn home Mr Morgans. He had driven through a gate and was shutting the gait when his team became frightened, running only a short distance, breaking the axle to his wagon and turning the wagon upside down on the fence, the horses breaking loose from the wagon and running a short distance was stopped with no further damage. Lucky for grandpa that he was not in the wagon.

Died—Little Johny Fitzwater departed this life on Nov 7th, 1891, after an illness of only one week. Aged about 2½ years.

This little flower was only given
To bud on earth and bloom in heaven.

BROWNSVILLE.

November 10th, 1891.

Born, on the 9th, to the wife of Matt Caroline, a daughter. Mother and child are doing well and Matt is said to have been seen out back of his barn trying to walk on his broken leg.

The editor of the Lebanon Effort and the Express editor had a damage suit before Judge Dunn, of this place, on Saturday last, resulting in favor of Kirkpatrick.

When will the democrats of Oregon begin the organization of Democratic Clubs. We all appear to be asleep and a call to arms will have to be made by some one. Can't Albany start the ball to rolling and give us a good club, and we can see how the thing is done.

We look for the local market to improve now. McKinley has been elected and Ohio is all right, and so is New York, Massachusetts and Iowa.

Rev A LeRoy, of LaGrande, Or., has been with us since Saturday. He looks as if he was well cared for in his Eastern Oregon home. He gave us two able sermons on Sunday.

With his new bakery Conrad Meyer able to offer old and new customers every thing firstclass in baked goods.

Baby's Fearful Suffering from Skin Disease Covering Entire Body Cured by Cuticura.

My baby was taken very sick when he was three months old, and in a few days began breaking out. We employed both of the home doctors, and they could do nothing for him. They advised us to get the best doctor in Eaton Rapids, Mich., and he decided him for two weeks, and he got worse all the time. Then I took him to Jackson, and he was no better. We then gave up in despair, and thought we could do no more than let him die in peace, and he might get more than we. Then I read and we had tried the Cuticura Remedies, I may say, did not have any hope they would do any good, but in less than a week I could see a change from the first application. Now he is well, and not a sore on him. His hair began growing right off, and we thought he would always be bald-headed. There was not a sound on his whole body, face, and head, only his eyes, but what was covered with sores. In fact, there was not anything but his eyes, and he could raise neither head nor hand.

MRS. FRANK BARRETT, Windsor, Mich.

"August Flower"

What is It For? This is the query perpetually on your little boy's lips. And he is no worse than the bigger, older, balder-headed boys. Life is an interrogation point. "What is it for?" we continually cry from the cradle to the grave. So with this little introductory sermon we turn and ask: "What is AUGUST FLOWER FOR?" As easily answered as asked: It is for Dyspepsia. It is a special remedy for the Stomach and Liver. Nothing more than this; but this brimful. We believe August Flower cures Dyspepsia. We know it will. We have reasons for knowing it. Twenty years ago it started in a small country town. To-day it has an honored place in every city and country store, possesses one of the largest manufacturing plants in the country and sells everywhere. Why is this? The reason is as simple as a child's thought. It is honest, does one thing, and does it right along—it cures Dyspepsia.

MRS. GRAHAM'S

Cucumber and Elder Flower Cream

Is not a cosmetic in the sense in which that term is popularly used, but permanently beautifies. It creates a soft, smooth, clear, velvety skin, and by daily use gradually makes the complexion several shades whiter. It is a constant protection from the effects of sun and wind and prevents sun burn and freckles, and black heads will never come while you use it. It cleanses the face far better than soap and water, nourishes and builds up the skin tissues and prevents the formation of wrinkles. It gives the freshness, clearness and smoothness of skin that you had when a little girl. Every lady, young or old, ought to use it, as it gives a more youthful appearance to any lady, and that permanently. It contains no acid, powder or alkali, and is as harmless as dew and as nourishing to the skin as dew is to the flower. Price $1.00, at all druggists and hairdressers, or at Mrs Gervaise Graham's establishment, 103 Post street San Francisco, where she treats ladies for all blemishes of the face or figure. Ladies at a distance treated by letter. Send stamp for her little book "How to be Beautiful."

Sample Bottle mailed free to any lady on receipt of 10 cents in stamps to pay postage and packing. Lady agents wanted.
