SCHOOL TEACHERS.—After paying Prof Horner a compliment and remarking that Roseburg was foolish not to keep him at any price, the West Side remarks: "Roseburg has a good teacher now, but the salary he gets is a disgrace to the town and to the teaching profession. Prof J W Crawford, of McMinnville, goes to Albany. We extend our ☙'s to these teachers. Prof Horner receives $1750, and Prof Crawford $1400 per annum. These are respectable salaries, and show an appreciation of worth by an intelligent public. Roseburg pays $900 per annum, and Salem, the capital of Oregon, pays $1000 per annum to teachers of like position. Salem and Roseburg are mossbacks of the first water on the public school question.

FINE SUITINGS.—Mr W R Graham has just received a fine line of suitings from the East, which are as fine as anything every brought here, embracing the latest patterns. He is anxious to have the public inspect them and get prices. His long experience will enable him to suit the most fastidious.

Klein Bros have a large and choice stock of boots and shoes for sale at reasonable prices. Do not invest in foot wear until you have seen their stock and the elegant piano at their store.

WHERE TO GET THEM.—When wanting an organ or piano call on G L. Blackman where you can select from a first class lot.

"German Syrup"

Croup. We have selected two or three lines from letters freshly received from parents who have given German Syrup to their children in the emergencies of Croup. You will credit these, because they come from good, substantial people, happy in finding what so many families lack—a medicine containing no evil drug, which mother can administer with confidence to the little ones in their most critical hours, safe and sure that it will carry them through.

ED. L. WILLITS, of Alma, Neb. I give it to my children when troubled with Croup and never saw any preparation act like it. It is simply miraculous.

Mrs. JAS. W. KIRK, Daughters' College, Harrodsburg, Ky. I have depended upon it in attacks of Croup with my little daughter, and find it an invaluable remedy.

Fully one-half of our customers are mothers who use Boschee's German Syrup among their children. A medicine to be successful with the little folks must be a treatment for the sudden and terrible foes of childhood, whooping cough, croup, diphtheria and the dangerous inflammations of delicate throats and lungs. ☻

A Severe Law.

The English people look more closely to the genuineness of their staples than we do. In fact, they have a law under which they make seizures and destroy adulterated products that are not what they are represented to be. Under this statute thousands of pounds of tea have been burned because of their wholesale adulteration.

Tea, by the way, is one of the most notoriously adulterated articles of commerce. Not alone are the bright, shiny green teas artificially colored, but thousands of pounds of substitutes for tea leaves are used to swell the bulk of cheap teas; ash, sloe, and willow leaves being those most commonly used. Again, sweepings from tea warehouses are colored and sold as tea. Even exhausted tea leaves gathered from the tea-houses are kept, dried, and made over and find their way into the cheap teas.

The English government attempts to stamp this out by confiscation; but no tea is too poor for us, and the result is, that probably the poorest tea used by any nation are those consumed in America.

Beech's Tea is presented with the guaranty that it is uncolored and unadulterated; in fact, the sun-cured tea leaf pure and simple. Its purity insures superior strength, about one third less of it being required for an infusion than of the artificial teas, and its fragrance and exquisite flavor is at once apparent. It will be a revelation to you. In order that its purity and quality may be guaranteed, it is sold only in pound packages bearing this trade-mark:

ALLEN BROS

MRS. GRAHAM'S

Cucumber and Elder Flower Cream

Is not a cosmetic in the sense in which that term is popularly used, but permanently beautifies. It creates a soft, smooth, clear, velvety skin, and by daily use gradually makes the complexion several shades whiter. It is a constant protection from the effects of sun and wind and prevents sun burn and freckles, and black heads will never come while you use it. It cleanses the face far better than soap and water, nourishes and builds up the skin tissues and prevents the formation of wrinkles. It gives the roundness, clearness and smoothness of skin that you had when a little girl. Every lady, young or old, ought to use it, as it gives a more youthful appearance to any lady, and that permanently. It contains no acid, powder or alkali, and is as harmless as dew and as nourishing to the skin as dew is to the flower. **Price $1.00**, at all druggists and hairdressers, or at Mrs Gervaise Graham's establishment, 103 Post street San Francisco, where she treats ladies for all blemishes of the face or figure. Ladies at a distance treated by letter. Send stamp for her little book "How to be Beautiful."

Sample Bottle mailed free to any lady on receipt of 10 cents in stamps to pay postage and packing. Lady agents wanted.
