GUIDE TO CHICAGO.—"The Artistic Guide to Chicago and the World's Columbian Exposition," is the title of a new book just out. It gives a concise history of the great city by the lakes from its settlement in 1831 to the present date. It is embellished with dozens of beautiful half-tone illustrations made from photographs, a bird's eye view of the city and a grand bird's eye view of the World's fair ground and building. Every family should have one. Mrs A M Tait, agent.

"August Flower"

I had been troubled five months with Dyspepsia. The doctors told me it was chronic. I had a fullness after eating and a heavy load in the pit of my stomach. I suffered frequently from a Water Brash of clear matter. Sometimes a deathly Sickness at the Stomach would overtake me. Then again I would have the terrible pains of Wind Colic. At such times I would try to belch and could not. I was working then for Thomas McHenry, Druggist, Cor. Irwin and Western Ave., Allegheny City, Pa., in whose employ I had been for seven years. Finally I used August Flower, and after using just one bottle for two weeks, was entirely relieved of all the trouble. I can now eat things I dared not touch before. I would like to refer you to Mr. McHenry, for whom I worked, who knows all about my condition, and from whom I bought the medicine. I live with my wife and family at 39 James St., Allegheny City, Pa. Signed, JOHN D. COX.

PUBLIC SAFETY DEMANDS

That only honest and reliable medicines should be placed upon the market. It cannot, therefore, be stated too emphatically, nor repeated too often, that all who are in need of a genuine Blood-purifier should be sure and ask for

Ayer's Sarsaparilla

Your life, or that of some one near and dear to you, may depend on the use of this well-approved remedy in preference to any other preparation of similar name. It is compounded of Honduras sarsaparilla (the variety most rich in curative properties), stillingia, mandrake, yellow dock, and the iodides. The process of manufacture is original, skilful, scrupulously clean, and such as to secure the very best medicinal qualities of each ingredient. This medicine is not boiled nor heated, and is therefore, not a decoction; but it is a compound extract, obtained by a method exclusively our own, of the best and most powerful alteratives, tonics, and diuretics known to pharmacy. For the last forty years, Ayer's

Sarsaparilla

has been the standard blood-purifier of the world—no other approaching it in popular confidence or universal demand. Its formula is approved by the leading physicians and druggists. Being pure and highly concentrated, it is the most economical of any possible blood medicine. Every purchaser of Sarsaparilla should insist upon having this preparation and see that each bottle bears the well-known name of

J. C. Ayer & Co., Lowell, Mass.

In every quarter of the globe Ayer's Sarsaparilla is proved to be the best remedy for all diseases of the blood. Lowell druggists unite in testifying to the superior excellence of this medicine and to its great popularity in the city of its manufacture.

A Revelation.

Few people know that the bright bluish-green color of the ordinary tea exposed in the windows is not the natural color. Daylemnet as the fact may be, it is nevertheless artificial; mineral coloring matter being used for this purpose. The effect is surprising. It not only makes the tea a bright, shiny green, but also permits the use of "off color" and worthless teas, which, once under the green cloth, are readily worked off as a good quality of tea.

An eminent authority writes on this subject: "The manipulation of poor teas, to give them a finer appearance, is carried on extensively. Green teas, being in this country especially popular, are produced to meet the demand by coloring cheaper black kinds by glazing or facing with Prussian blue, turmeric, gypsum, and indigo. This method is so general that very little genuine uncolored green tea is offered for sale."

It was the knowledge of this condition of affairs that prompted the placing of Beechs Tea before the public. It is absolutely pure and without color. Did you ever see any genuine uncolored Japan tea? Ask your grocer to open a package of Beech's and you will see it, and probably for the very first time. It will be found in color to be just between the artificial green tea that you have been accustomed to and the black tea.

It draws a delightful canary color, and has fragrance that it will be a revelation to tea drinkers. Its purity makes it also more economical than the artificial teas, for less of it is required per cup. Exclusively in point packages bearing its trade mark:

BEECH'S TEA "Pure As Childhood"

If your grocer does not have it, he will get it for you. Price 60c per pound. For sale at
