What is

CASTORIA

Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria prevents vomiting Sour Curd, cures Diarrhœa and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea—the Mother's Friend.

Castoria.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."
DR. G. C. OSCOOD,
Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful drugs down their throats, thereby sending them to premature graves."
DR. J. F. KINCHELOE,
Conway, Ark.

Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."
H. A. ARCHER, M. D.,
111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."
UNITED HOSPITAL AND DISPENSARY,

Piles Can be Cured.

Richard Bennett, Westfield, N Y, writes: "For thirty-two years I suffered from piles, both internal and external, with all their attendant agonies, and like many others suffered from hemorrhoid. All those thirty-two years I had to cramp myself to pay doctors and druggists for stuff that was doing me little or no good. Finally I was urged by one who had had the same complaint, but had been cured by Brandreth's Pills, to try his cure. I did so, and began to improve, and for the last two years I have had no inconvenience from that terrible ailment."

Beauty" may be "only skin deep;" but the secret of a beautiful skin is pure blood. Those coarse, rough, pimply complexions may, in most cases, be rendered soft, smooth and fair by the persevering and systematic use of Ayer's Sarsaparilla.

"Gentle Spring" loses many of its terrors when the system is fortified by the use of Ayer's Sarsaparilla. With multitudes, this wonderful tonic-alterative has long superseded all other spring medicines, being everywhere recommended by physicians.

MISFITS.

Even Roseburg will have a base ball ground enclosed with an eight foot fence. What's the matter of Albany.

Nearly every suitable house in Albany is occupied. Our people have quit waiting for the Oregon Pacific, and will push ahead anyway.

A New York millionaire has just worried himself to death. Some of the most wretched men in Albany and Linn county have more money than they know what to do with. Take warning.

The republicans have put up for supreme judge, just the kind of a man for voters to keep off the bench. It seems to be the province of politics to leave out men like Judge Blackburn, for men like Moore.

Adjourned Meeting.

There will be an adjourned meeting of the Linn County Prohibition Convention to be held at the Court House in Albany on Thursday, April 14th, 1892, at 10 o'clock a m. All prohibitionists are invited and urged to attend. The object of this meeting will be to nominate a county ticket and to attend to any other business that may be properly brought before the convention. Let every friend of the cause attend. No prohibitionist should fail to attend! Make a note of the date and be sure to come. T P HACKLEMAN, Chairm

The Free Wool Bill.

WASHINGTON, April 7.—In the house today Mr Cobb, of Alabama, from the committee on elections, submitted the minority report on the Noyes-Rockwell contested case. The report was ordered printed. Mr Wilson, of West Virginia, then took the floor to close the debate on the free wool bill. He said it was not his purpose to review in detail the already much-debated provision of this bill, neither was it his purpose to make a comparison of the conflicting systems of taxation, which were now struggling for mastery in the land. At the conclusion of Mr Wilson's remarks he was warmly applauded, and received the warm congratulations of his colleagues. The vote was then taken on the bill, and the bill was passed, yeas 194, nays 90.
