MISSIONARY'S STORY

How He Suffered from Eczema. Doctors Failed. Grew Worse. Death Only Relief Expected.

I have been troubled with chronic Eczema on my hands. The itching was very annoying and made me unfit for work. I had tried many remedies and consulted a good physician, but received no permanent relief. A friend told me of the CUTICURA REMEDIES. I then sent for a copy of your book, more than a year ago, and now I wish I had read the book and begun to use the CUTICURA REMEDIES at once. But the doctor said the remedies, good in some cases, would be of no use to me, and continued to prescribe for me for nine months. I grew worse and worse. Death would have been a relief, and it was the only relief I expected. Just then my wife (I thank God for a good one) found the book you sent in some out-of-the-way place and read it through. She discharged the attending physician and said we would try the

Cuticura Remedies

Procured one box of CUTICURA, one cake of CUTICURA SOAP, and a bottle of CUTICURA RESOLVENT. I began to use them about the middle of last August, procuring a new supply when the first was exhausted. I am now well and attend to my missionary work. I am Secretary of the Sullivan County Bible Society (portrait inclosed). Have been engaged in missionary work in the county for eighteen years. To recommend the CUTICURA REMEDIES to suffering humanity will be a part of my missionary work in the future.
