A Steel Windmill and Steel Tower every 3 minutes. ☞ Those figures tell the story of the ever-growing, ever-going, everlasting Steel Aermotor. Where one goes others follow, and we "Take the Country."

GALVANIZED It is not enough to build perfectly a windmill that will last a lifetime. This Solid and Steel Tower are now galvanized after being completed, thus absolutely protected from rust and decay.

The Aermotor Pneumatic Water Supply System enables you to supply every part of your house with water without an Elevated Tank.

Though sold, we were unable to make all of the 20,049 Aermotors in '91. Orders then waited weeks to be filled, but now we have vastly increased our plant and are prepared promptly to place one hundred in every habitable portion of the globe.

Are you curious to know how the Aermotor Co. in the 8th year of its existence, came to make many times as many windmills as all other makers combined? How we came to originate the Steel Wheel, the Steel Fixed Tower, the Steel Tilting Tower?

24. We pioneered in a field in which there had been no improvement for 40 years, and in which there seemed no talent or ability, and none has yet been shown except in public imitation of our inventions.

24. Before commencing the manufacture, extensive scientific investigation and experiments were made by a skilled mechanical engineer, in which over 2,000 dynamometric tests were made on 61 different forms of wheels, propelled by artificial and therefore uniform wind, which settled definitely many questions relating to the proper speed of wind, the best form, angle, curvature and amount of sail surface, the resistance of air to rotation, obliquities in the wheel, such as heavy rims, obstructions before the wheel, as in the useless mill, and many other more abstruse, though not less important questions. These investigations proved that the power of the best wind wheels could be doubled, and the AERMOTOR daily demonstrates it has been done.

24. It is the liberal policy of the Aermotor Co. that guarantees its goods satisfactory or pays freight both ways, and to the uttermost extent of its factory's skill enables it to furnish the best article at less than the poorest could for, for 22 years it has kept the most perfect bearings ever put in a windmill, and have made so exhaustive revision of the Aermotor and Towers.

Have you a strong, still, Steel Fixed Tower—or if you want a tower you don't have to climb, the Steel Tilting Tower, and the best wind mill that runs when all others fail? Have you less than wind and lasts two times as long? The Steel Aermotor or if you want a Geared Mill, with self-oiling, self-feeding gears, runs in oil, pump water, saw wood, thresh, grind, cut feed, pump water, turn a grindstone, churn, shell corn, run a lathe or do any other work that does the work of a horse at so small cost? Write for explanatory illustrated printed matter, showing every conceivable style of windmill construction and work, to

ITCHING AND BURNING

Sores All Over Her Body. Suffering Endless. Doctor Useless. Cured in 4 Weeks by Cuticura.

Your most valuable CUTICURA REMEDIES have done my little girl so much good that I feel like saying this for the benefit of those who are troubled with skin diseases. She was troubled with itching, burning sores. When I took her to the doctor the first time, he called it the Italian itch, and said he would cure her in two weeks. When the two weeks were up, he called it eczema, and in that time she was worse than before. He doctored for three months, and she was so bad that we did not know what to do. He did not do her any good. I saw the advertisement of CUTICURA REMEDIES in a paper, and I said to my wife, "I am willing to try them." She said that I say, she was so sick with sores it was hard to get the clothes to take them off. I did the most good to do. She had it all over her body, both legs, arms, in between her fingers. She did not have it on her head. But after taking your CUTICURA REMEDIES for two weeks the itch stopped, and in four weeks the sores were all gone. I cut her hair recently. I am more than pleased with your CUTICURA REMEDIES, as they speedily cured my daughter. Every time anybody asks me about your remedies, I will tell them wherever I go. CHARLES L. CRONEL, Condohocken, Montgomery County, Pa.
