# SHROCK "SEZ":

You'll drive the car, not the Dealer! Tall talking dealers may be able to make any car "sound" good, but good dealers stand behind their sales, so that the buyers' satisfaction matches each car's selling features. You're safe when you buy a car from your reliable Hudson Dealer. By the way, we'd like to call your attention to a few fine values in late model Hudson cars. Ask to see them while they last.
