Cable teacher, recitations, dialogues and carols; juniors, Mrs. Eldon France teacher, "Christmas in the Old Testament; intermediates, Mrs. Vernon Forest teacher, "The Christmas Star," with soloists Janet Kleen and Norma Hammond in "The Star of the East;" juniors, "The Christmas Tableaux," with Elsie Schneider, Clayton Saunders, Kenneth France, Arlan Slack, Donald Chittic, Tudyard Herr, Monty Hammond, Ronnie Pearson, Harold Swinford, Doris Chittic, Shirley Herr.

Gold Shares Attract Support

NEW YORK, Dec. 17—(AP)—Amusement and gold shares attracted support in today's stock market.

The price range of the market generally was unusually narrow. A few half-hearted attempts to get ahead died out from sheer inertia and selling pressure never built up to any respectable size. The result was a wide range of fractional changes and an almost exact division between gains and losses.

Trading was moderately active with turnover of 1,010,000 shares, even with Thursday. Curb volume of 280,000 shares compared with 230,000 Thursday.

The Associated Press average of 60 stocks advanced .1 of one point to 64.1, the first gain in a week. Of the 1,058 stocks which changed hands, 389 advanced and 377 declined.

Lebanon Armory To Be Built

LEBANON—Authorization to receive $65,000 of federal funds for construction of an armory for the Lebanon national guard unit next year was received by the local guard unit this week.

Specifications and the contract for the building must be in the hands of a contractor by June 1. The building location is yet unknown. Present guard quarters are in a quonset hut on West Oak st., but a guard spokesman said a more favorable site will be selected for the new building.

Robespierre, French revolutionist, descended, according to tradition, from an Irish family.

Grains Mostly Close Higher

CHICAGO, Dec. 17—(AP)—Grains mostly closed higher on the board of trade today, although a good part of an early advance was lost late in the session. Soybeans and lard also ended with gains.

Turnover was light and brokers said the market appeared to be entering its usual holiday dull season. They added that outside interest had fallen this week, leaving dealings largely in the hands of local traders and commercial interests.

Wheat closed ⅛ lower to ½ higher, corn was ¼ lower to 1⅜ higher, oats were ⅜-¾ higher, rye was ½-1¼ higher, soybeans were ¼-1¾ higher and lard was 30 to 50 cents a hundred pounds higher.

One reason for the steady tone in the bread cereal was a slump in receipts of cash grain. Primary arrivals at 12 markets today totaled 1,203,000 bushels against 1,269,000 a week ago and 1,392,000 a year ago.
