NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a public hearing will be held before the common council of the city of Salem, Oregon, at the city hall on Monday, June 27, 1949, at the hour of 8:00 p.m. (DST), to consider the report of the Salem Planning and Zoning Commission for the establishment, and to establish zones or districts and the boundaries thereof, limiting the types of buildings that may be constructed, altered or maintained, and the types or kinds of businesses, trades or callings that may be established or conducted in that part of the city of Salem lying in Polk County, Oregon, annexed to the city at the election held November 2, 1948.

The said commission has recommended that said area be classified as follows:

All that part of the said area lying east of the Wallace Road to be designated as a Class IV Unrestricted District for industrial uses.

That a strip of land 200 feet wide abutting upon the west side of the Wallace road and bounded on the south by Ninth street and on the north by the north line of the O. A. Olson property described in a deed recorded at page 582, volume 125, Deed Records for Polk County, Oregon, which north line is approximately 530 feet north of Glen Creek road; and a strip of land 150 feet wide lying along and abutting upon the said Ninth street between Patterson avenue in West Salem and the said 200 foot strip just mentioned, to be designated as a Class III Business District where ordinary businesses may be established and conducted.

That part of the property deeded to O. A. Olson and wife by deed recorded at page 582, volume 125, Deed Records for Polk County, Oregon, not classified as Zone 3, to be designated as a Class II Residential District where multiple dwellings will be permitted. This Class II district would have a frontage of approximately 285 feet on Glen Creek road; and

That all the rest or remainder of the said Polk county territory annexed to the city of Salem at said election be designated as a Class I Residential District, limited to single family dwellings for residential purposes only.

A public hearing will be held at the said time and place for the establishment of special set-back lines along the Wallace road and the Glen Creek road.

All persons interested in said proceedings hereby are notified to appear at said hearing.
