Before you can see what we can do for you.

No matter what you need in lumber and building materials, we can supply what you need and we think we can save you money. We may possibly be mistaken about that, but it will cost you nothing to make sure of it.

Lumber and service that satisfy is our motto. All we ask is an opportunity to demonstrate that these are not merely words, but facts.

We sell all kinds of lumber, cordwood and coal. Let us know your wants.

### NEW SONG IS ADOPTED

42 States of the U. S. A. have adopted for use in the public schools the new patriotic song "Loyalty is the Word Today." Oregon is among the 42 states and Supt. Churchill has sent a limited number of copies of the words and music for distribution among the schools where there is a musical instrument. Teachers who can use this music should write to the county office for copies. Following are the words:

### LOYALTY IS THE WORD TODAY

Loyalty to the U. S. A.  
SONG  
By Dee Dooling Cahill and J. E. Andino  
North, South, East and West, your country calls you,  
To swear you'll be true to the Red, White and Blue,  
United, we stand, divided we fall;  
A free sea and land means freedom for all.  
Then show your colors bravely, each maid and man,  
A true united nation, proud American;  
With loyalty, with courage, and pride we say,  
"We stand by our flag and our country today!"

Chorus  
Loyalty is the word today,  
Loyalty to the U. S. A.;  
"Peace with honor," the nation cries,  
Peace without—the nation dies,  
Now's the time for hearty action,  
Without fear, and without faction;  
Loyalty is the word today,  
Loyalty to the U. S. A!  
'Tis no time for doubt, 'tis no time to pause;  
With love and with faith we'll be true to our cause;  
Defending our land, protecting our trust,  
For freedom we'll fight, and die if we must.  
Then show your colors bravely, each maid and man,  
A true united nation, proud American;  
With loyalty, with courage, and pride we say,  
"We stand by our flag and our country today!"

### SCHOOLS' WORK IN THE WAR

State of Oregon, Department of Education, Salem, November 8, 1917.—To School Superintendents: This department has received many letters from teachers and superintendents requesting suggestions as to how the schools may do some constructive work that will make each child feel his responsibility in the war without seriously interfering with the legitimate work of the school.

I am offering the following plan with the hope that through your teachers, you can make it a task of educational value, and at the same time give the children something definite to do in helping to win the war.

First, secure a list of the soldiers who have gone from your community, and have the pupils as a part of their regular English work write letters to these boys. The letters should be cheerful and newsy, telling of every community undertaking that would be of interest to the boys. Nothing but the best efforts of the children should be accepted, and the writing of the letters should be carefully supervised by the teacher.

Second, organize the pupils for the purpose of collecting regularly the best magazines from the homes, and send these to your own soldier boys. City Superintendent F. Thordarson of Bend has already collected 5,000 magazines for this purpose. I have asked the state librarian to prepare a list of magazines, so that you may ask pupils to bring only those on the state list.

Third, have the pupils watch the best illustrated articles. Let them clip these and make scrap books, so newspapers and magazines for inter- that the schools will have them ready to send to the hospitals for the convalescing soldiers.

There is more truth in this section of the country than in other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

### "What Wonderful Gossards!"

"Never Before Have I Seen Such Beautiful Corsets"

You will say that, too, when you see our new Fall Gossards. Wonderful corsets—wonderful values. No woman can afford—particularly in times when wise economy is more than a watch-word—to ignore the savings offered by these Gossards—savings without sacrifice—because the simplest gown is given grace, distinction, vogue, over the fashionable silhouette of a Gossard. The most expensive gown loses in effect if worn over an ill-fitting corset.

Remember, please, that the Gossard—the original front-lacing corset—gently and with perfect comfort molds the figure into the new straight back and hip lines and smartly indicated waist. We have the Gossard that will enable you to become the ideal of your type—one of the nine ideal figures.

Our corsetiers are ready to serve you, to help you select, or to fit you properly if you desire.  
Our new Gossard booklet—we will be pleased to give you a copy—illustrates the nine ideal figure types together with representative corset models. It enables you to determine your corset requirements at a glance.

Gossards at \$2.00, \$2.50, \$3.50 and \$5.00  
Knowing how all prices have advanced you will be especially impressed with the incomparable Gossards at \$2.00, \$2.50, \$3.50 and \$5.00. At one of these prices you can find the correct perfectly adapted to your individual requirements—designed by the same genius which causes master gown designers the world over to specify "Gossard" as the foundation for their efforts.
