"I do not Eat Pastry."

How often you hear this expression, and the explanation that usually follows: "I am troubled with dyspepsia." The explanation is not far to seek. In the past Lard has been used as the principal shortening in all pastry, the result—dyspepsia. The dyspeptic need no longer be troubled, providing

COTTOLENE

is substituted for lard in the preparation of all food. It is composed strictly of highly refined vegetable oil and beef suet. When used as a shortening, it produces wholesome and healthful pastry. Physicians and expert cooks indorse it. Refuse substitutes. Send three cents in stamps to N. K. DENNIS DOWNING, Waterbury, Vt.

Skin Disease 9 Years

Had over nine years a dreadful skin disease. First appeared a few small red spots on my breast which kept spreading slowly to my back. The spots turned gray, and began itching. Small scales would fall off, and it continued all over my body. I tried all medicines, consulted doctors, no use. Then I gave it all up. Tried the CUTICURA REMEDIES, they cured me entirely. My skin now pure and white as that of a child.

The Pastille FOR WEAK MEN

Made so by too close application to business, severe mental strain, Sexual Excesses in middle life, or vicious habits contracted in youth. WEAK MEN are victims to Nervous Debility or Exhaustion, Wasting Weakness, Involuntary Losses with Early Decay in Young and Middle Aged; lack of vigor and strength, with sexual organs impaired and weakened prematurely in approaching old age. WHEN WE SAY CURE we speak from knowledge of results in many thousand cases treated and cured in the past fifteen years.

Our method of introducing Prof. HARRIS' SOLUBLE MEDICATED PASTILLE treatment is one which commends itself to all sensible persons—for the reason that we supply it upon their judgment of its value. Nothing in the way of expense beyond a postal card and a two cent postage stamp is asked. The postal card for use in sending us their full address and the postage stamp for the letter returning the statement of their case for which we supply them with question blank, to be filled out, and a self-addressed envelope for use in returning it when filled.

Free TRIAL When we receive the statement on blank we prepare eight days treatment and forward it by mail prepaying postage. Along with the treatment we send full directions for using. The treatment causes no pain or inconvenience and does not prevent attention to business.

We leave the matter of sending orders entirely with those using the free trial treatment. Having satisfied those sending for trial packages of our article to benefit them we feel that they are more largely interested than ourselves in continuing the use of the Pastilles. We make the prices as low as possible, and the same to all. They are as follows: $3.00 for one month. Full directions accompany each package.

We ask all who are seeking treatment to send their address on a postal or by letter. All correspondence is strictly confidential and should be addressed to THE HARRIS REMEDY CO., Mfg. Chemists, 80 BOWERMAN STREET, NEW YORK.
