STREET MEETING

DALLAS, Tex. (AP)—About 50 neighbors celebrated the completion of paving on Bowling Green Ave. here with a picnic spread on tables, set up in the middle of the street.

"Just a general get-together before our street was opened officially," said John T. Johnson. "Nice to get to know one another, you know."

Crop Duster Exam Planned

All aircraft and custom ground applicators of herbicides (weed killers) will be called upon shortly to take examinations for licensing required under the 1953 Agricultural herbicide control law, Frank McKennon, chief of the division of plant industry, State Department of Agriculture, announced Friday.

McKennon said he would complete a schedule probably late next month.

Meantime, an examination will be held Wednesday, May 13, at 10 a.m. in the offices of the State Agricultural Department in Salem for all those who want to take the tests at once.

This law is the new version of the 1951 agricultural spraying and dusting law which the State Supreme Court declared unconstitutional.

PORTLAND (AP) — Some 200 printers are expected to attend the Northwest regional conference of the Printing Industry of America here May 16-17.
