Girl Staters Favor Religions, CD Teaching in State Schools

Legislative bills urging the teaching of civil defense and religious history in public schools in Oregon and tightening regulations for drivers and narcotics peddlers were passed by Girls State here Friday.

The narcotics bill, passed by the teen-age girls-in-government program, calls for the death penalty for second offenders and 10 to 20 years imprisonment for first offender peddlers.

All Oregon auto drivers would be required to be retested every two years as to driving ability under provisions of another bill signed by girl governor Shirley Blush of Salem.

Defeated after lengthy debate were a bill calling for the death penalty for drunk drivers who caused other persons' deaths and a bill seeking a $500 to $1000 fine for persons convicted of selling liquor to minors.

Of the latter bill the girls senators and representatives finally decided there already is on the Oregon law books a similar statute. All it needed "was enforcing" they said.

Following their legislative sessions Friday the Girl Staters visiter the state supreme court.

Today they will conduct court trials and will hold a 9:30 p.m. candlelight ceremony, open to the public, in the Capitol rotunda.

The more than 200 delegates will ballot this afternoon on the two Oregon delegates to Girls Nation slated in Washington, D. C. July 31-Aug. 6. The winning candidates will be annuonced at the closing session breakfast Sunday morning.

Candidates selected Friday for the Girls Nation finals election today include Kay Ruberg of Salem, Diana Wright of Junction City; Peggy Ragan of Florence, Kay Beatty of Eugene, Joan Van-Ocher of Athena, Kathy Schiller of Portland, Norma McPeak, Grants Pass, Patricia Allison of Oregon City, Sheila Howard of Klamath Falls, Pamela Palmer of Baker, Dorothy DeRuschia of Bend and Donna McCoy of Corvallis.

Contracts Let For Water District Work

Statesman News Service

SALEM HEIGHTS—A million-gallon reservoir and a pipeline extension project for Salem Heights Water District got a go-ahead from the water board Friday night, with work to start in July.

Contract for the steel reservoir tank to be erected near the west end of Browning Ave. was authorized for Chicago Bridge & Iron Works on its low bid of $32,695.

The board headed by Myron Butler also approved a contract for Porter & Neal, Salem, to provide some 13,000 feet of 4-, 6-, 8- and 10-inch pipe, on low bid of $34,603. Four bids were opened for each project. The pipe specifications were redrawn and new bids taken after earlier bids were rejected as too high.

Money for the project will come out of a $120,000 bond issue approved this spring by district voters.

Douglas Man Takes Own Life With Gun

ROSEBURG (AP) — An apparent self-inflicted head wound claimed the life of George Alfred Murphy, 45, of nearby Winston, Thursday night—24 hours after he attempted to evade arrest for violating a promise to go to his son's home in Washington state.

The sheriff's office reported Murphy had been ordered at a court hearing to leave here or face commitment in a state hospital for the mentally ill. Wednesday night, he returned with friends from Eugene, who notified Murphy's wife, Esther. She told sheriff's officers, and eight deputies and two state patrolmen trailed him into a heavily wooded area near Brockway. Officers said Murphy fired one shot at them, and two hours later they found him, seriously wounded by a shotgun blast. Murphy's shotgun was nearby.

New Premier Pleads for Public Support

PARIS (AP)—Pledged to win peace in Indochina in a month or resign, Premier Pierre Mendes - France broadcast to the nation Friday night an appeal for moral support.

The time has come, he said, "to rid ourselves of four incredulities, of our divisions, of our timidities."

The 47-year-old son of a Jewish manufacturer of women's clothing, Mendes-France recorded the two-minute speech at his home for broadcast on the French national network after a day of interviewing prospective ministers for his new Cabinet.

It was generally believed he would act as his own foreign minister and might go to Geneva on Monday to carry on direct negotiations with the Communists for peace in Indochina.

His appearance at the Geneva conference could give an unpredictable turn there to the negotiations, and could result in concessions which the United States would be unable to accept.

Reds Demand French Quit In Indochina

GENEVA (AP) — France's new Premier Pierre Mendes - France will face a Communist demand that French troops pull out of Indochina as part of any armistice agreement when and if he comes to Geneva next week.

Red China's Chou En-Lai and the Vietminh Foreign Minister Pham Van Dong made this clear at a closed session of the Indochina conference Friday. Both demanded that "all foreign troops" must be withdrawn simultaneously.

This could mean only French troops since Dong insisted there were no Vietminh soldiers in Laos and Cambodia. There are only "resistance movements" in these two states, he said, describing them as "powerful facts."

The French have called these Red puppet regimes "phantoms."

Jury Unable To Decide in Damage Suit

Almon Lehman, Salem, sought $7,500 damages for injuries received in an auto accident, but a Marion County Circuit Court jury couldn't decide in the case after five hours' deliberation Friday evening.

Circuit Judge George R. Duncan dismissed the jury at 10 p.m.

Lehman's suit contended that damages were due him as a result of an accident in February, 1952, involving a car in which he was a passenger and a state highway department truck operated by James H. McKnight, since deceased. William Dobson, as administrator of the latter's estate, was defendant to the action.

Grains Score Modest Gains

CHICAGO (AP) — Grains scored modest advances on the board of trade Friday, only July soybeans ending with a loss.

In the early trading wheat continued its slide and the March future sank to a new seasonal low by a small fraction. The bread cereal turned upward shortly before noon. In the late trading December and March corn, representing the 1954 crop, showed the most strength.

Wheat closed ⅜-¾ higher, corn unchanged to 1¼ higher, oats unchanged to ¾ higher, rye ¼-½ higher, soybeans 3½ lower to 1¼ higher and lard 12 to 15 cents a hundred pounds lower.

At the close export circles in New York reported Brazil had purchased 7,460,000 bushels of American Hard Wheat. There did not appear to be much lifting of hedges in the wheat pit against such a large scale and it was theorized the wheat came from unhedged government stocks.
