AL ISAAK RLT SAYS — DO YOU KNOW?

Buffalo Bill did NOT shoot a buffalo!

For Proof Read Next Sunday's Advertisement

Last Week's Answer Columbus did not discover America in 1492! On October 12, 1492, Columbus sighted an island which he called San Salvador, and which has since been identified with Watling Island. On his 3rd voyage, in 1498, he beheld, for the first time, the mainland of South America. 1—"Encyclopedia Brittannica" —11th Edition-Vol. 6. 2—"Harmsworth Encyclopedia" 3—"Popular Fallacies" P. 603—by A.S. E. Ackermann.
