This year's crop of wheat and oats is a fine one and good reports are general. Here is a sample: E. A. Barrett, of near Lebanon, off 100 acres of spring wheat has just threshed 3000 bushels, an average of 30 bushels. He has 110 acres more. His oats averaged 45 bushels an acre. —Express—Advance.

The citizens of Scio should take notice that the Health Ordinance requires all premises to be cleaned up by Oct. 1, and should govern themselves accordingly. Many have not complied by disinfecting closets as required, and unless they desire to pay a fine, had better give these matters attention. It seems strange that citizens do not take enough interest in their own welfare to prevent diseases when possible.

Mark M. Peery came down from Springfield Wednesday, and with Wm. Miller, P. H. McDonald and Riley Shelton left Thursday for their annual hunt in the mountains. It is generally understood that Mark was sent for to join the party, being the only one able to secure venison enough to keep the balance of the crowd during the coming winter. We noticed R. Shelton buying about 20 feet of woven wire fence to use as a hammock, being afraid to sleep on the ground on account of snakes etc. which are plentiful in the mountains. On their return their adventures will be fully narrated in these columns, and we expect, it will require an extra edition.

When last seen alive she was carrying a bucket of blackberries and her apron full of prunes. When the remains were found her shoes had been removed and it is thought she tried to wade the river and in doing so met her death.

The Genuine vs. Counterfeits.

The genuine is always better than a counterfeit, but the truth of this statement is never more forcibly realized or more thoroughly appreciated than when you compare the genuine DeWitt's Witch Hazel Salve with the many counterfeits and worthless substitutes that are on the market. W. S. Ledbetter, of Shreveport, La., says: "After using numerous other remedies without benefit, one box of Dewitt's Witch Hazel Salve cured me." For blind, bleeding, itching and protruding piles no remedy is equal to DeWitt's Witch Hazel Salve. Sold by E. C. Peery.

For a bilious attack take Chamberlain's Stomach and Liver Tablets and a quick cure is certain. For sale by all dealers.

DR. DARRIN WILL REMAIN UNTIL DECEMBER 1.

Dr. Darrin's Work is Piling up in Such Volume That He is Compelled to Prolong His Visit in Albany.

This eminent and far famed specialist has met with such an immense volume of business since coming to Albany that he finds it absolutely necessary to prolong his visit to December 1 only. It is a source of gratification to the doctor's friends to know that his skill is being so well and appreciatingly taxed. His patients are coming from all parts of Oregon and in all cases a benefit of cure is affected. The doctor's skill is becoming so well known and his cured patrons so plentiful that his name has become a household treasure in hundreds of homes in this vicinity.

The following recommendations from men so well known as Mr. Racey and Mr. Van Osdol are one of the strongest reasons why people should look into the merits of Dr. Darrin's cures. Dec. 1 will positively be his last day here and all contemplating visiting him will do well to call soon as some may need a second treatment.

Mr. P. A. Racy's Card.

To the Editor: In 1896 I was almost totally deaf in one ear. I was counceled to try Dr. Darrin then practising in Portland. His treatment cured me perfectly and permanently so I have never been troubled since. I was successfully treated for catarrh. I have the utmost confidence in the doctor's new mode of treatment by electricity and will gladly tell any one of my success, at Jefferson, Or.

P. A. RACEY.

A Salem Man's Testimonial.

To the Editor: Seeing so much in your paper concerning Dr. Darrin's cures, I was persuaded to try him on my daughter, who has been afflicted with a distressing discharge of the ear and partial deafness for the past four years. Under the doctor's mode of treatment she is healed. I reside at the corner of Commercial and Mission sts., Salem, and am engineer in the Capital Brewery. Refer to me at either place.

A Remarkable Record.

Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many million bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by all dealers.
