Winter Grips Country

Icy Beauty CHICAGO, Dec. 12—With the temperature hovering just above zero, Lake Michigan's spray coated these pilings with a coat of ice. The scene is a beach on the city's north side. Steam rises from surface of water because temperature of air is so much colder. (AP Wirephoto)

Prepared MIAMI, Fla., Dec. 12—Even with sweater and heater, Cleo curls a lip at the cold front that caused widespread damage to crops in the Miami area last night. The spindly five-pound Italian greyhound probably expected warm weather but was disappointed. (AP Wirephoto)

Empty-Handed NEW YORK, Dec. 12 — The photographer who took this picture came back empty-handed but he came up with a good illustration of the city's subway strike. Empty gloves resting on controls in motormen's cab of idle subway train tells the story of strike, now in its fourth day. (AP Wirephoto)
