Compromise Made in Tax Deficiency Suit

PORTLAND (AP) — The government Tuesday accepted a one-third compromise figure in a $2,250,000 income tax deficiency it claimed was owed by the estate of Seattle lumberman Charles Willard Stimson.

Government attorneys and the estate told U. S. Tax Court Judge Bruce Forrester they had agreed on $800,000 as the assessment.

The Internal Revenue Service had placed a $700 a share value or 85,000 shares of Stimson Lumber Co. stock. The estate had said the stock was valued at $190 a share.

Later both parties agreed on a stock value of $425 a share.

Portland Man Dies After Car Crash

PORTLAND (AP) — A 73-year-old Portland man died here Tuesday of injuries suffered when his car collided with another vehicle Monday.

He was Herman Hawkinson, whose death pushed Oregon's 1958 traffic toll to 63 persons. Seven have died this month.

Apple Polisher Miffed

TORONTO (AP) — Gordon Parker, a retired resident of Port Credit, Ont., is miffed when people describe themselves on voters' lists as executives. So this year he gave his occupation as apple polisher. And that's how the published list reads.

City of Salem Improvement Bonds, Issue 1958-A, being bonds issued pursuant to the Bancroft Bonding Act, in denominations of $1,000.00 each, except bond number one which shall be for the sum of $195.85, said bonds to be dated April 1, 1958 and to mature in annual installments as follows:

April 1, 1959	$ 13,195.85
April 1, 1960	13,000.00
April 1, 1961	13,000.00
April 1, 1962	13,000.00
April 1, 1963	13,000.00
April 1, 1964	13,000.00
April 1, 1965	13,000.00
April 1, 1966	13,000.00
April 1, 1967	13,000.00
April 1, 1968	12,000.00
	$129,195.85

provided, however, that as to such bonds maturing on and after three years from the date of issue, the city of Salem shall have the option to redeem the same, in numerical order, upon the payment of the face value thereof with accrued interest on any interest paying date at or after three years from the date said bonds are issued. Both principal and interest shall be payable at the office of the city treasurer of the City of Salem.

Each bidder shall name the rate or rates of interest at which the bidder is willing to accept the bonds, but only one rate shall be named for any one bond or for the bonds maturing in the same year, and no interest rate shall exceed four per cent per annum, and each rate bid must be a multiple of one fourth of one per cent. The bonds will be sold for not less than par value and accrued interest.

Each bid, except bids submitted by the State of Oregon, or any sinking fund of the City of Salem, must be accompanied by a certified check for two per cent of the par value of the bonds, made payable to the City as a guarantee of good faith. Bids submitted by mail should be addressed to the undersigned at the City Hall in Salem, Oregon.

The bonds will be delivered complete without undue delay at the expense of the City of Salem at either Salem, Oregon, or Portland, Oregon, as the successful bidder may designate.

The award will be made on the basis of the lowest net interest cost to the City. Comparison of bids in determining the lowest interest net cost will be made by taking the aggregate amount of interest at the rate or rates specified, computed from April 1, 1958, to the respective maturity dates of said bonds and deducting therefrom the amount of premium specified, if any. Each bidder shall include in his bid a statement of the total interest cost and effective interest rate that the city will pay if his bid is accepted and none of the bonds are called prior to the maturity date thereof.

The right is reserved by the common council of the City of Salem to accept any bids and to reject all bids in the interest of the City of Salem.

The prior legal approving opinion of Messrs. Winfree, McCulloch, Shuler and Sayre, Portland, Oregon, will be furnished the successful bidder.

All bids must be submitted on the bid forms furnished by the City of Salem without alteration or qualification.

When an ad is ordered three or six times and a Sunday issue is included (for example Friday, Saturday, Sunday) the lower Sunday rates apply because only The Statesman publishes Sundays.

Classified ads will start in the morning Oregon Statesman, conclude in the evening Capital Journal—but ads will be accepted for Sunday Statesman only.

The deadline for classified ads is 1:00 p.m. the day before publication except for Sunday when deadline is 5:30 p.m. Friday. Emergency ads and small line ads received after 1:00 p.m. weekdays and until 12 noon Saturday for Sunday may be placed in the Too Late to Classify column.

The Statesman - Journal Newspapers reserve the right to reject questionable advertising; further reserves the right to place all advertising under the proper classification.

The Statesman - Journal Newspapers assume no financial responsibility for errors which may appear in advertisements published in its columns and in cases where this paper is at fault will reprint that part of an advertisement in which the typographical mistake occurs and is responsible for only one incorrect insertion.

A "Blind" Ad—an ad containing a Statesman-Journal Newspapers box number for an address—is for the protection of the advertisers and must therefore be answered by letter. The Statesman-Journal Newspapers are not at liberty to divulge information as to the identity of an advertiser using a "Blind" ad.

Ads in other columns which require investment in stocks, samples, equipment or cash bond should be thoroughly investigated before paying out any money. Advertisers requiring a cash investment for samples or merchandise sales aids etc. must so specify in their ads. THIS NEWSPAPER STRIVES to protect its readers against fraud, deception, or injuries. Readers are cautioned to make NO PAYMENTS to get a position advertised in the help wanted columns. All help wanted ads MUST SPECIFY THE NATURE OF THE WORK. Sales help wanted ads must state if the pay is in the form of salary, commissions, guarantee, or include firm name. Bona fide offers of employment with pay belong to the "Help Wanted" columns.
