"40 years ago when I started with the company, the tire industry had only a handful of designs, sizes, load and speed ratings. Today, there are over 4,500 combinations. Now more than ever before, for your own safety, you need to be sure the tires you're buying are right for your vehicle. At Les Schwab, we make sure you get the right tires. Installed and serviced by tire professionals that take pride in their work.

Les Schwab, a name you can trust."
