CITY NOTICES.

ORDINANCE NO. 273

An ordinance declaring the assessment on the property benefitted for the cost of laying a four-inch water main on Newtown street, south, from West Eleventh to Twelfth street and directing the recorder to enter a statecmnt thereof in the water main lien docket.

The city of Medford doth ordain as follows

Section 1. Whereas, the city council did heretofore by resolution declare its intention to lay a four-inch water main on Newtown street, south, from West Eleventh to Twelfth street and to assess the cost thereof on the property fronting on said portion of said street in proportion to the frontage of said property, and did fix a time and place for hearing protests against the laying of said water main on said portion of said street and the assessment of the cost thereof as aforesaid.

And whereas, said resolution was duly published and posted as required by section 116 of the charter of said city.

And whereas, a meeting of the council was held at the time and place fixed in said resolution for the purpose of considering any such protests, but no such protests were at said time or at any other time made to or received by the council to the laying of said water main or the assessment of the cost thereof as aforesaid, and said council having considered the matter and deeming that said water main was and is of material benefit to said city and that all property to be assessed therefore would be benefitted thereby to the extent of the probable amount of the respective assessments to be levied against said property, did order said water main laid.

And whereas, the cost of said water main has been and hereby is determined to be the sum of $456.72.

Now therefore, it is hereby further determined that the proportionate share of the cost of laying said water main of each parcel of the property fronting on said portion of said street is the amount set opposite the description of each parcel or piece of land below and that each piece or parcel of land benefitted by the laying of said water main to the full extent of the amount set opposite the description of each parcel or piece and that the respective amounts represent the proportional benefit of said water main to said respective parcels of land and also the proportional frontage theerof on said portion of said street, and the council does hereby declare each of the parcels of property described below to be assessed and each of the same hereby is assessed the amount set opposite each description of the cost of laying said water main.

ORDINANCE NO. 277.

An ordinance assessing the property adjacent to and benefited by the 6-inch lateral sewer constructed along Olson street for the cost of constructing the same and providing the manner of carrying said assessments into full effect.

The city of Medford doth ordain as follows:

Section 1. Whereas, the council did heretofore provide by ordinance for the serving of owners of property adjacent to and benefited by the construction of the lateral sewer hereinafter described to appear before said council and show cause, if any, why said property should not be assessed for the construction of said sewer, and did fix a time for hearing any such protests, which notice was duly given in accordance with said ordinance more than ten days before the beginning of the construction of said sewer, but no protests against said construction or assessment of the cost thereof was made by anyone, and said sewer was, by said council, ordered constructed; and,

Whereas, the cost of the construction of said sewer has been and is hereby determined to be the sum of $617.70.

Now, therefore, said city doth hereby ordain and declare that each parcel of property described below is adjacent to and benefited by that certain lateral sewer, 6 inches in size, constructed on Olson street between West Fourth and West Second street, and that the proportion of the cost of said
