WANTED: JUNK, HIDES, BARK, OR WHAT HAVE YOU?
Of all the past 10 years of my buying experience in Lane County, we have never had such good results as lately. People are coming here from hundreds of miles away and bringing their goods to sell. Everyone is surely welcoming the raise in price. Some of our customers remarked "that's a lot more money than we figured on getting." Yes, prices are raising. We are all going back to work. Now, then, do your share. If you have any old batteries, radiators, brass, aluminum, hides, bark, wool, etc., bring it to us and you will get the full price. Sell to us and help us boost the price on junk as we have done the last ten years.

Wanted to Buy 700

WANTED: JUNK, HIDES, BARK, OR WHAT HAVE YOU?
Of all the past 10 years of my buying experience in Lane County, we have never had such good results as lately. People are coming here from hundreds of miles away and bringing their goods to sell. Everyone is surely welcoming the raise in price. Some of our customers remarked "that's a lot more money than we figured on getting." Yes, prices are raising. We are all going back to work. Now, then, do your share. If you have any old batteries, radiators, brass, aluminum, hides, bark, wool, etc., bring it to us and you will get the full price. Sell to us and help us boost the price on junk as we have done the last ten years.
