WORD AWAITED ON BRANCH BANK HERE

Eugene chamber of commerce officials were awaiting further word on details of establishing a branch of the national Home Owners Loan corporation in Eugene Friday, following word that Eugene would receive such an establishment Thursday.

Edward R. Morris, president of the chamber, received a letter from A. E. Hutchison, general manager of the corporation, thanking the local chamber for its offer of co-operation in regard to the branch here.

Some time ago the local chamber wrote the corporation, offering to co-operate in every way and recommending that a branch of the bank be located in Eugene.

J. E. Shelton, former Eugenean, has been rumored as a likely choice as manager of the Eugene branch of the bank when it is established here. Definite word on this is expected shortly from J. P. Lipscomb, of Portland, who was named state manager of the home loan system in Oregon. Mr. Shelton was associated with the Oregon State Motor association in Portland for some time.

Rumor also has it that Edward F. Bailey, Eugene attorney, is being considered as attorney to represent the home loan bank board in Lane county.

DON'T ENVY YOUTH.. HAVE IT!

EAT ... and grow young! That's what Nature intended when she gave us whole wheat. For in this richest of cereal grains are stored the things that youth is made of. Proteins, carbohydrates, minerals and vitamins, so food authorities call them. You can call them something simpler—SHREDDED WHEAT.

This VITALLY DIFFERENT food brings you *all* the vital elements of whole wheat... all of whole wheat's correctly measured bran. Nothing added, nothing taken away. Just 100% whole wheat... ready cooked, ready to eat... in easily digested, crisp brown biscuits.

And mighty good to eat, too, with milk or cream, with fresh or preserved fruit. Try it for at least ten days... and learn to forget your years!

When you see Niagara Falls on the package, you KNOW you have Shredded Wheat.

Vitally different!
