HOCUS - POCUS UP, UP LAZARUS !

With a teeter-totter, strychnin, Prussian blue and what not a dog, dead four minutes, was brought back to life in Berkeley, California. And they call it a miracle. (?) We can show you business houses that have been dead for four years that have been revived by a good dose of printing and advertising. They all said they felt no pain whatever and the medicine left a good taste in their mouth. Ask us for further details.
