"CHRISTMAS GIFT SUGGESTIONS"

Santa's Starting Place

For the HOME

AT M. S. BARKER'S—659 Willamette St. You can find the largest stock of stringed musical instruments in the city. Many of these instruments are left for sale on a small commission and are rare bargains. I also carry new instruments and strings and supplies for all stringed instruments. My prices are the lowest and all goods are of good quality. Long years of business in this line fits me to be a good judge of quality and prices, so I pass these good qualities on to my customers. You will save money by trading with me. Remember my prices are very reasonable and of course I have to tell you about them or you would not know about my very low prices. I also repair musical instruments and sewing machines. 659 Willamette.
