Black Fever Said Spreading In China

HAICHOW, Kiangsu Province, China, May 20.—(AP)—An epidemic of black fever which has been ravaging this region for weeks was spreading with increasing violence today into new territories, leaving a trail of hundreds of dead. Missionary doctors who have been battling to check the advance of the dread disease said the peak of the epidemic has passed here, but that it is gaining force in thickly populated areas to the northwest and southeast.

Strike Hurts Growers

SALEM, May 20.—(AP)—A serious handicap to harvesting the cherry and strawberry crop was seen here in the existing lumber and woodworkers' strike, when growers became aware that the strike would prevent them from selling berries and cherries for freezing and barrel packing to local processors. Local growers faced a situation of being without barrels to handle the crop unless the strike is dispersed.

Coast Fork News

COAST FORK, May 20.—(Special)—Many parents and friends went to the Christian church at Pleasant Hill Thursday night to attend the combined graduation exercises. Those graduating from Coast Fork district were Raymond Brabham, Dwight Martin, Ronald Gombill and Gordon Dodge.

Forest Fire Near Oakridge Destroys Many Young Trees

OAKRIDGE, May 20.—(Special)—One of the first large forest fires of the season broke out on Dead mountain Wednesday and spread to nearly 100 acres before it was brought under control. It started from a slashing fire and spread rapidly, due to the low humidity and the dryness of the country.

Some of the newly planted trees were destroyed in the fire. Very few men were available to fight the fire at the time, because the men from the CCC camp had been sent to Canyon City just the day before, and the government fire truck was in Eugene being overhauled. Men were rushed up from the Fall Creek CCC camp and a fire line was run around the threatened area.

A smaller fire started also from a slashing fire near the Dompier property was reported the same day, but caused no damage and required only a few men to take care of it.

Junior Gleemen to Meet Monday Eve

The Junior Gleemen will meet for their final event of the season, Monday evening, when Carl G. Washburne and John Stark Evans, director of the chorus, will entertain the group in the McMorran and Washburne tearoom at 7:30 o'clock. New officers will be elected by the chorus and there will be an informal program and social hour.

After Bab's Record?

RENO, Nev., May 20.—(AP)—Mrs. Lois Clarke De Ruyter Spreckels and Rank C. Clinton, 23, of San Francisco, were married Saturday, 24 hours after her divorce from Adolph B. Spreckels, San Francisco sugar fortune heir. It was a third marriage for Mrs. Spreckels and the first for her new husband.

FLORENCE PLANNING RHODODENDRON DAY

FLORENCE, May 20—(Special)—Florence will have Rhododendron day on Sunday, June 2, and there will be a big seafood dinner at the noon hour. This was decided at the May meeting of the Siuslaw chamber of commerce here. Grange bodies and other organizations of this section will be asked to share the cost of the big day. It was the belief of the chamber of commerce that the famous flower of this part of Lane county would be in its fullest glory the first of next month.

Last year's event, which marked the revival of the event similar to the rhododendron carnivals which used to be held here, took place on April 29, a little over a month ahead of the time set this year. An attraction for the morning hours preceding the dinner will be motorboat races on Siuslaw bay. Guy Houghtaling and Cecil Brown are a committee selected to make the necessary arrangements. In the afternoon one of the day's features will be the selecting of Florence's candidate to the Taft Red Head Round-up which will come the latter part of the month. The chamber is asking for the red headed girls of this section to assemble during the day so that a representative from the community may be selected.

Other matters receiving attention at the chamber's meeting was the matter of awarding prizes in the SERA relief garden project here, and a committee was accordingly appointed for this purpose. The prizes will be awarded in the fall. Mrs. H. M. Petersen was reappointed to the Oregon Roadside council, state highway beautification body, and Mrs. Orville Cox and Mrs. Guy Houghtaling were named as additional members to the council from this section.

McMurphey Manager For Smith and Drum

Appointment of George McMurphy, former Eugene man, son of Mrs. Albert McMurphy, as manager of the Oregon division of the Smith and Drum, Inc. advertising agency of Los Angeles, has just been announced. McMurphy's headquarters will be in Portland. The agency handles advertising for the General Petroleum corporation, Max Factor products, Gilfillan radios and electric refrigerators, Sales Builders and PN products in the Register-Guard and all leading newspapers.

STUDENT PLAY GIVEN

THURSTON, May 20.—(Special)—The student body play, "Oh, Susan," presented by the students of the Thurston high school was a decided success when it was given before a large audience Friday night at Thurston hall. About $17 was taken in at the door and from candy sales during the evening. Other school activities will be held during the two weeks before school is out. The senior-junior banquet will be held. The baccalaureate sermon will be delivered by Dr. E. V. Stivers Sunday evening, May 26 at the Thurston church. The commencement exercises will be held May 29.

BUILDING ENTERED

The Bell Fruit company warehouse was entered sometime Sunday night, but apparently nothing was taken, police reported Monday. Entry was gained by breaking out a window.

ROMA WINES

Vintages fermented, aged and mellowed
by
J. BATTISTA CELLA
(AMERICA'S MOST CELEBRATED VINTNER)

and bearing his seal of unqualified approval

FOR YOU AND YOUR family to enjoy, America's largest vintner has long been choosing certain select vintages.

Wines finer in bouquet—more delicate of flavor . . . sound as molten gold. Chiantis, Sauternes, Ports, Sherries . . . 19 types of private vintage wines.

Now part of the wine mellowed in these favored vats is released for all to enjoy. It is aged and mellowed under the eye of Battista Cella himself. Every quart is drawn from a vat tested by him and carries his unqualified approval. *Conformed to a high standard which is Battista Cella's own . . . . . exceeding not only all State and Federal standards for fine wine but those of European vintages as well.*

How can you be sure of getting these wines personally preferred by Battista Cella?

The name Roma Wine Company on the label is your protection. Look for it—whether you buy in quart bottles or gallon jugs. Wines which are marked "made by Roma Wine Company" carry Battista Cella's approval as to mellowness, trueness of type and matchless goodness.

These are wines from only the finest grapes of each California harvest. Owner of vast vineyard acreage, crushing many thousand tons of grapes each year, Battista Cella has been in a position to choose.

From the mild, valley grapes
For these extra special vintages he has used the mild valley grapes. Full blooming in flavor and bouquet. *Yet free of the faintest touch of the sharpness that in some wines can offend the American taste.*

Try them yourself. Note the bouquet, the special goodness. Leading stores and shops have them. Prove for yourself that good wines *can* be bought at reasonable prices.
