INVITATION FOR BIDS

Sealed bids will be received by Charles D. Byrne, Secretary of the Oregon State Board of Higher Education, Room 814 Oregon Building, Portland, Oregon, and will be publicly opened in Room 720 Oregon Building, at 10 a. m. on Monday, August 19, for the General, Heating, Plumbing, Wiring, Book Stack and Lighting Fixtures contracts, necessary in the erection and completion of a Library Building at the University of Oregon in Eugene, Oregon, in accordance with the plans and specifications prepared by Lawrence, Holford & Allyn, Architects, 925 Failing Building, Portland, Oregon.

As a condition precedent to receiving official "Proposal forms" the bidder must have qualified as prescribed by Chapter 225, Laws of Oregon, 1931. The successful bidder will be required to furnish such additional information as the State Engineer, P.W.A. may require.

Plans and Documents may be obtained at the office of Lawrence, Holford & Allyn, Architects, upon deposit of $25.00, which will be refunded when the plans and documents are returned.

The project is to be paid for in whole or in part out of funds furnished by the United States Government and all work and material must be performed and/or furnished in accordance with rules prescribed by the President and the policies adopted by the Government to carry out the purposes which control the Administration of Public Works.

The National Employment agency designed to furnish employment lists for this project is located at Eugene, Oregon.

Attention is called to the fact that not less than the minimum wage rates prescribed by the Federal Emergency Administration of Public Works must be paid on this project. These rates are net after all authorized or permissable deductions provided for in Oregon Workmen's Compensation Law have been made.

The successful bidder must furnish a Performance Bond in full amount of the contract price, a separate and distinct Labor Bond in amount equal to the largest estimated aggregate payroll for any one month during construction, and Public Liability Insurance as specified.

Bidder's proposal must be accompanied by a certified check or a Bidder's Bond in an amount equal to 5% of the total amount of the proposal as a guarantee of the execution of the Contract and the furnishing of the required bonds in case the Contract is awarded to the bidder.

The State of Oregon, and/or the State Engineer, P.W.A. for Oregon reserve the right to reject any and all bids and to waive any informalities.
